LUHAYDAN – THE SALAFI TAKFEERI SHEIKH

DO NOT BE MISLED BY HIS QIRAA'T WHICH HE TRADES FOR A MISERABLE WORLDLY PRICE

Al Kawthar and Imam Development Project are Salafi organizations. Salafis are hosting Sheikh Luhaydan in South Africa. Beware of these Salafi deceits who are just as sinister as the Shiah. Both groups employ the accursed doctrine of *Taqiyah* (holy hypocrisy) to deceive Muslims.

A Brother provides the following information about this Luhaydan character:

I am writing this to you so that you could please bring it to the attention of the Muslims of SA and worldwide that the month of February will see another Hardcore Salafi in SA, namely, 'Shaykh' Muhammad Luhaydan. He is being hosted by a number of Salafi organizations like Al Kauthar and Imam Development Project.

This Luhaydan was the godfather of many hardcore extremist Salafi groups that were bulldozing and bombing Masajid in Libya. (The research paper on this topic is available online). Moreover, these hardcore extremist Salafi groups, working under the guidance of 'Shaykh' Muhammad Luhaydan, had desecrated the graves of many Auliya in Libya, like Shaykh Ahmad Zarruq rahimahullah. In addition, many Islamic symbols, and Masaajid built by the Umayyads and Ottomans were destroyed by them.

Apparently, the people in SA are falling for his recitation of the Qur'an, which he charges thousands of dollars for.

Can Maulana please inform the public to be aware of this deviated Salafi who has worked to destroy Masajid in Libya and to cancel his programmes if they are scheduled for their Masajid, otherwise, to please stay away and inform the masses of his crimes against the Muslim ummah.

We have also read in Fatawa Rahimiyyah and other works that the Salafis also resort to Taqiyya, like their big brother, the Shia, so the Muslims of SA should not fall for the lies of these deviated Salafis from Riyadh.

(End of letter)

Do not be ensnared into the Salafi trap. Stay far from these qiraa't functions which are mockeries of the Qur'aan Majeed. The Deen is being manipulated for the miserable monetary crumbs of the dunya. All these qiraa't characters are munaafiqs. Rasulullah (Sallallahu alayhi wasallam) said;

“Most of the munaafiqs of my Ummah are its qaaris.”
