THE HARAAM, KUFR

"MASS JUMU'AH AT UNION BUILDINGS"

Miscreants, Zindeeqs, Munaafiqeen and Fussaaq molvies and others belonging to the camp of Iblees, had contemplated a so-called '*mass jumu'ah at Union Buildings*' for bootlicking the priests and pundits of other religions who are clamouring with opposition politicians against President Zuma. Although we believe that the

juhhaal

have cancelled the haraam mock 'jumuah' programme, this Message remains valid as

Naseehat

for Muslims.

It is haraam for Muslims to join these kufr protests and demands. It is brazen kufr to hijack the Jumuah Ibaadat for the despicable objective of the kuffaar politicians. Those in the Muslim community who are behind this contemplated evil mock 'jumuah' display, are not Muslims. They are in league with Iblees. The chief of this league of Iblees is the reverend abraham bham who professes to be a Muslims whilst he has reneged from Islam long ago. His multiple antics of kufr all designed to gratify his inordinate craving for cheap publicity testify to his *Irtidaad*. The Muslim community of South Africa has not suffered a greater

La'nat

than this Bham

murtad

who is undermining Islam to satisfy his ultra-voracious appetite for

jaah. Hubb-e-jaah

has penetrated every capillary of his body. He comes fully within the purview of the following Hadith of Rasulullah (Sallallahu alayhi wasallam):

"There will soon be in my Ummah people in whom these lusts (of the nafs) will permeate just as rabies permeates a man. Neither a vein nor a joint will remain unaffected by it."

This applies fully to the Bham *murtad*.

Muslims have no share in the mutual conflicts of the non-Muslim politicians. In joining these politicians, Muslims are compromising their Deen and courting the Wrath of Allah Ta'ala. Rasulullah (Sallallahu alayhi wasallam) said:

"Your deeds are your rulers."

We should look at our own misdeeds, and not stupidly insult our reflection in the mirror. Remedy the filth of our *a'maal* in which we are wallowing, become morally reformed and spiritually elevated, adopt the Sunnah and submit to the Shariah, then Allah Ta'ala will resolve the political problems.

PARTICIPATION IN THE POLITICAL PROTESTS ORGANIZED FOR TODAY IS NOT PERMISSIBLE FOR MUSLIMS. THE MURTAD REVEREND AND OTHER FUSSAAQ AND FUJJAAR 'MUSLIM' JUHHAAL POLITICIANS ARE ALL SATANIC OPPORTUNISTS. IT IS HARAAM TO HEED THEIR CALL.
