### [PICTURE-MAKING AND THE TRASH ARGUMENTS OF MISCREANT MUFTIS](#)

By halaalizing television, video and digital pictography, Mufti Taqi Uthmaani and Mufti Rafi Uthmaani, in addition to having committed the fatal blunder of making permissible what Allah Ta'ala has made haraam, have perpetrated a great disservice to their illustrious father, Hadhrat Mufti Muhammad Shafi (Rahmatullah alayh).

It appears that in their insane desire to keep pace with western modernity, they have in entirety ignored the solid *dalaa-il* which their august father had presented in refutation of the permissibility of photography which the liberal Arab sheikhs had halaalized on the basis of the stupid and putrid 'reflection' argument.
