SYRIA

TODAY THE PLIGHT ON THE FRONTLINE!!!

TURKISH TROOPS ALSO FLEE

From the frontline of the misguided Syrian ‘jihad’, comes the following desperate call portraying the heartrending conditions of both the tens of thousands of refugees and mujaahideen who are all currently fleeing with their lives and whatever they can carry with them. The massive exodus from Idhlib, the last so-called ‘stronghold’ of the mujahideen and other evil rebel fighters who are no better than the brutal Assad butcher, vociferously and vigourously testifies to the huge error of those who had dubbed the brutal animality of the Syrian conflagration a ‘jihad’. The panic and pandemonium accompanying the flight further testify that Allah Azza Wa jal is magnifying His Athaab for the masses and the ‘mujahideen’ who had displayed staggering ignorance from the very inception of their U.S. conspired and directed ‘jihad.

A DESPERATE MESSAGE FROM THE FRONTLINE

FromA Brother currently present in the arena of conflict. Message received today, Friday 7th February

Asalamualaykum. Things are going from bad to worse here in Syria. Sararkib which is about 8km from Idlib city fell last night. They bombing the city itself which is the last stronghold of the Ahlus Sunnah and the Mujahideen. People are fleeing in their tens of thousands. They putting whatever belongings they can carry down on any piece of ground that they can find. It is raining here at the moment and a cold front is approaching. Allah make easy!

All Mujahideen are busy evacuating their families to the Turkish border. They and their families are now themselves Refugees. They also dumping their families on whatever piece of ground they can find.

They also appealing for tents etc. They don't know where to go or what to do with their families. Lots and lots of aid of every kind is needed.

They are clueless as to what to do next. I really don't know what is going to happen

Turkey sealed the border. Turkey sent in troops and tanks, but they also fled Sararkib. Whole of Sararkib was surrounded. They managed to break through last night and flee.□□ May Allah Ta'ala have mercy.

COMMENT

"They managed to break through last night and flee.": This statement may refer to either the surrounded mujahideen or to the Turkish troops.

What is currently transpiring was always a forgone conclusion which never posed any enigma to any person of sound intelligence. We can only supplicate and say: May Allah Ta'ala have mercy!
