LMA PAVING THE PATH OF PROSTITUTION FOR YOUNG FEMALE PUPILS

PARENTS BEWARE! KNOW WHAT YOU ARE DOING WITH YOUR GIRLS AT THESE HARAAM LMA SHAITAANI SCHOOLS

In response to our earlier Naseehat to parents regarding the evil of the LMA using and misusing young female pupils to solicit money like prostitutes, an LMA supporter stupidly and falsely says in defence of this haraam school run by molvi agents of Iblees:

“Regarding LMA, please stop this labeling of LMA. Please varify before such statements are. made One cannot take the word of one shopkeeper. This child could be using LMA. Name for her own benefit. There are many very very poor people in lenasia. If the shopkeeper was concerned. He should have helped her not. Degrade her. We work in these very poor areas and know there plight. Please refrain from labelling LMA.”

(End of the jaahil's verbatim letter)

We forwarded the LMA moron supporter's letter to the Brother who had informed us of the haraam use of girls by the LMA. The following is the Brother's comment:

“Was the girl also printing her own LMA collection books and receipts and masquerading also as an LMA student?

It is amazing that LMA is crying foul play and everything else when on the 02 September 2022 they will be having their annual fundraiser cake and others food sales.

So the timing of their 02 September cake sale coincides with this girl selling the LMA tickets.”

(End of the Brother's letter)

OUR FURTHER COMMENT

The LMA should not seek to detract attention from the truth with deception and lies. It is imperative for parents to understand the corruption and destruction of Islamic morals which this school of Iblees under the auspices of human ‘molvi’ shayaateen, is inflicting on their young daughters. The teaching of these schools masquerading as ‘Islamic’ institutions is glaringly satanic.

The girl was issuing LMA printed receipts. She was the agent of the LMA. Now these agents of Iblees are attempting to wiggle out of the immoral mess in which they have trapped the little girls.

Sending girls to collect money from all and sundry totally destroys their Imaani Haya. Girls from the age of 6 should be in PURDAH. The dissonance of the brains of these molvis has blinded them to the immoral consequences of their lust for money. They are most certainly paving the path of prostitution for young girls who are being schooled to **shamelessly** solicit money from the public.

The haraam and immoral cake sale stunts organized by these evil molvis added to the LMA receipt books issued to the girl corroborate the fact that the girl was appointed as the agent of this Agent of Shaitaan.
