LMA TEACHING GIRLS TO BECOME PROSTITUTES

The illegitimate progeny of Iblees, viz., the molvis of the Lenasia 'Muslim' Association (LMA), in their quest for haraam boodle have sunk to new depths of moral depravity and obscenity. They are now using your little daughters to solicit money in the streets in the way prostitutes prowling the streets do. They are now effectively training young girls in the profession of prostitution.

A brother, commenting on this absolutely wicked, evil and depraved attitude of the molvis of this Jahannami organization (LMA), states:

[Asalaamualaikum respected Ulama,](#)

[Please comment on this scenario:](#)

[Today a Madrassah girl approached me asking me for R10,00 for this LMA collection.](#)

[This Madrassah girl approached a male shopkeeper before approaching me. She was operating in an area where the taxi rank is situated.](#)

[How can the LMA authorize this and also place the life of this girl in danger. Criminals will follow her and harm her and steal the money she collected from her.](#)

It is amazing that these LMA Ulama and their leadership can authorize this collection drive from their learners when there are so many other ways of collecting funds and fund raising. May Allah save us.

My parting point is this:

The kufaar believe that women are only meant to sell products and therefore don't care how or where they use their women to make them profits and boost sales. Have we the Muslim men emulated them to the degree that we too give our daughters, sisters and mothers nothings to sell thus exploiting them in the process? If this girl found it easy to approach me, a strange man, tomorrow she can be comfortable to speak to any man and approach them without any concerns regarding the Hayaa and concealment of a woman's voice, body etc.

These actions of the LMA people will have lasting consequences for these girls who will not think twice about NOT APPROACHING STRANGE MEN WITH ANY REQUESTS OF ANY KIND. All these girls were told is to go out and sell, sell, sell.

Was-Salaam

(End of the brother's letter)

The RUBBISH fussaaq and fujjaar molvis of the LMA have now transgressed all bounds of immorality by preparing girls for the profession of prostitution. How is it possible for Muslim parents to entrust their daughters to such filthy, obscene, wicked scoundrels who are devils in human form? Parents who condone this haraam immoral shaitaani stunt of the LMA molvi are complicit with them in the destruction of the morals of their daughters. Tomorrow when their daughters indulge in zina and elope, these parents should not wail and bemoan what has happened.
