THE FITNAH, FISQ, FUJOOR AND KUFR OF NASHEED COMPETITIONS

Question One

1. In Cape Town, they have high school nasheed competitions and primary school nasheed competitions. It is for a team of boys or a team of girls.

They have rounds. And then the final round. The finals were held a few weeks ago at the Cape Town City Hall.

It's a group of approximately nine boys or nine girls that sing for an audience nasheeds. One of them has a drum (so-called duff) which they tap with their hands. The audience is a mixed gathering.

My question is: One uucsa molvi, Imraan Ziyaae published the following: "Proud moment when my youngest daughter...recites on stage at the Cape Town City Hall Nasheed competition with her school mates."

What is the status of this molvi who regards such blatant Haraam functions to be permissible?

ANSWER

The molvi of Bogus ‘uucsa’ is undoubtedly an Iblees. He has lost his Imaan by not only believing haraam to be halaal, but by brazenly and rebelliously elevating blatant kufr to the level of ibaadat. Praising blatant haraam is kufr of an extremely aggravated degree of rebellion against Allah Azza Wa Jal.

Question Two

Is the following a statement of kufr or not:

Sheikh Ebrahim Gabriels sent the following message to Darul Arqam who broadcasted the talents of their boy team and girl team singing Nasheeds: "Well done! Well done Darul Arqam. We thank Allah for your great success Alhamdulillah"

Now, won't it be Kufr when people are praising Allah upon Haraam acts? It's like they believe their haraam acts to be halaal. Girls singing in public and then too in the name of Islam! Astaghfirullah.

And these shows are not for free. It is R125 for 1 show and R220 for the whole day. Girls show starts at 10:30 and boys at 17:00. (Prostitutes do not ply their wares free! –The Majlis) Singing girls are a sign of Qiyaamat. Am I am correct?

ANSWER

Most certainly, this jaahil, munaafiq sheikhul iblees has committed KUFR. This type of sheikh-e-mudhil was more fearful to Rasulullah (Sallallahu alayhi wasallam) than even Dajjaal. The world today abounds with such *aimmah-e-mudhilleen* who are agents of Iblees. They have simplified the task of Shaitaan. They bring droves of juhala Muslims into the Den of Shaitaan with their satanic wiles and snares embellished with Islamic nomenclature and deceptive ‘deeni’ rhetoric all designed to satanically extravagate Imaan from the hearts of ignorant Muslims.

These shayaateenul ins trample on the Deen and eliminate Imaan with brutal rapacity. They portray absolutely blithe disregard for the Shariah.

Since their Imaan has been totally necrotized by their total adoption of the cults of the Yahood, Nasaara and Shiahs, they have become ardent followers and agents of Iblees. Their brains are rotten with a gangrene of

the worst kind. Their approbation and reprobation of Islam come clearly within the purview of the Qur'aanic stricture:

“What! Do you believe in part of the Kitaab and deny (commit kufr) part (of the Kitaab). The punishment for one (among you) who perpetrates this (villainy) is nothing but disgrace in this worldly life, and on the Day of Qiyaamah they will be ushered to the severest punishment (Hell-Fire).”

This is the attitude of all scoundrels of Kufr who masquerade as Muslims. Despite their brazen kufr, they portray themselves as Muslims with the couple of Islamic rituals, the rudiments of which they are even unaware of. These Cape Tonian sheikhs are notorious for their disease of *hydrophobia*. They mortally fear to use water to purify themselves in the toilet. All the accumulated *najaasat* corrupts their brains, rendering them perpetually in a state of mental disequilibrium, hence they fail to understand the blatant kufr they excrete from their mouths.

Muslims should seek the protection of Allah Ta'ala from falling into the tentacles and traps of these sheikhs and molvis of *dhalaal*.

Some people wonder why there is fitnah and fasaad among Muslims even during Ramadhaan when according to the Hadith the shayaateen are enchained. One answer for this conundrum is that Iblees-in-Chief, before the Month of Ramadhaan sets in, prepares sheikhs, molvis and 'buzrugs' to act as his agents during his period of enchainment.

Just as the former colonial masters have prepared and trained all the *zanaadaqah* who are today the kings, rulers and governments in all the Muslim lands to continue with the oppression, suppression and satanism of the former British and European colonial masters, so too has the Devil, trained and prepared molvis, sheikhs and 'khaanqah buzrugs' to continue with his fisq, fujoor and kufr whilst he is chained during the month of Ramadhaan. That is why there is still so much fitnah in the community during the month of Ramadhaan. It is the product of the *shayaateenul ins* (human devils) who have not been chained. They are the Agents of Iblees.

The only way such villains can expurgate themselves from their multiple diseases of fisq, fujoor and kufr is to repent, renew their Imaan and renew their Nikah.
