A DEVIL'S DAY AT THE GELVAN PARK TEMPLE

A Musjid formerly known as *Musjid Taqwa*, in Gelvan Park, Port Elizabeth, has been converted into a Temple of Shaitaan by a bunch of fussaag-fujjaar who happen to be in haraam control of the Musjid, now effectively a temple where fisq, fujoor and kufr have become salient practices.

With the onset of the Covid Satanism, the Musjid was stripped by the scoundrels of its sanctity and converted into a Temple of Kufr. The very first act of kufr was the closure of the Musjid and the abolition of Salaat. These acts of *Sareeh (Explicit)* kufr had effectively expelled the fussaag-fujjaar from the fold of Islam. Salaat performed behind their 'imaam' masquerading as a 'Muslim' is not valid.

To confirm the Temple status of the Musjid whose *La'nat (Curse)* is perpetually settling on these miserable epistasis specimens, the kuffaar trustees have organized a Devil's Open Day on a haraam kuffaar day of celebration known as 'heritage day'. On this day the plan is to utterly defile the Musjid with kuffaar presence. The Musjid will be effectively polluted with Najaasat, Janaabat and Kufr by an invasion of the carriers and repositories of these attributes.

While these miserable miscreants will believe that they are trustees of a Musjid, they are totally ignorant of even the very imperative rudiments of running a Musjid. In fact, they themselves wallow in najaasat since they are ignorant of the essential rudiments of *Istinja*. Their appallingly lamentable degree of *jahaaalat* and *shaitaaniyat* has convoluted their brains. They thus are unable to distinguish between haraam and halaal, Imaan and kufr. That is why they have organized their kufr Devil's 'open day' on Devil's heritage day.

A Musjid is the Venue dedicated for only Ibaadat, and absolutely nothing else. That is why I'tikaaf is not valid even in a musalla (jamaat khaanah). That is why worldly conversation is haraam in a Musjid. That is why reciting even the Qur'aan loudly in a Musjid is not permissible. That is why it is haraam to be in the Musjid even without wudhu. A Musjid is known as the HOUSE OF ALLAH. But scoundrels have now converted it in the HOUSE OF IBLEES. All the plots of land on which Musaajid are built, will be incorporated into Jannat on the Day of Qiyaamah. Yet, these agents and followers of Iblees deem it appropriate to pollute the Musjid with najaasatm, janaabat, zina and kufr. They are inviting even kuffaar *zaaniyaaat* to the Temple. Under their satanic guise they are out to gratify their inordinate carnal and kufr lusts.

Nabi Isaa (Alayhis salaam) had physically whipped and forcefully expelled a group of persons who were speaking inside the Musjid. Hadhrat Umar (Radhiyallahu anhu) would readily whip anyone who spoke in the Musjid. But today scoundrels and rascals – agents of Shaitaan – are flagrantly polluting and defiling the Musjid physically and spiritually.

They have decided to make a huge mockery of Salaat in their Temple. The Musjid has been brutally plundered by the rapacity of a gang of *shayaateenul ins*. Those who are Muslim at heart should not attend the Musjid now converted into a Temple. They should perform Salaat elsewhere.

It is the Waajib obligation of the Muslim community of that location to get rid of the agents of Iblees who are controlling and abusing the Amaanat and Sanctity of the Musjid.
