BROTHEL SCHOOLS – ZINA IN THE MAKING

***“DO NOT COME NEAR TO ZINA!”
(Qur’aan)***

The following letter from a Sister speaks volumes for the KUFR of parents – for the zina-training parents mete out to their children cast into the cauldron of filth and zina by their own parents. The letter is reproduced verbatim.

Assalaamualaikumwa rahmatullahi wabarakathuhu

21 Shawwal 1443 (23 May 2022

Below is a message I received from one of my students.

"Apa, today Aamina came home and told me that another boy in her class said to her when they big they must go for coffee and he will get a fast car for her and they must find a place to live together. He also said to her that he wants a baby with her and this is soo shocking, they are grade R kids.

I was against sending her to school from the beginning because of fear of what goes on. *(Yet you sent her to the brothel! You paved the pathway of Jahannam for her—The Majlis)*

I just wanted to share this with apa."

Few weeks back I received the following messages from elsewhere. It's forwarded as received.

"[4/27, 10:05 PM] .: PLEASE LADIES TAKE THIS SERIOUSLY.

THERE IS MUCH ASSAULT FROM SHAYTAAN AND HIS HELPERS FROM ALL SIDES AND COMING RELENTLESSLY.

PLEASE PLEASE PRIORITIZE YOUR KIDS!!!

[4/27, 10:05 PM]

I would like to share with you an experience I had today.

While teaching my grade 7 class about Bulloohat and the different ways in which a girl can reach maturity we happened upon wet dream. And ofcourse this set off a flurry of questions from the girls. *(You were utterly shameless. Your Imaan must be in an advanced degree of putrefaction to enable you to be so shameless with a group of girls already set on the pathway of prostitution and zina—The Majlis)*

One Question that took me by surprise was not the LGBTQ one no... that one I was ready and well prepared for.

The one that hit me for a six was whether it is haraam to have intercourse with a dog and why it is haraam if you are not harming anyone.

If you have intercourse with a dog and fall pregnant, will you give birth to a werewolf. That would be awesome sight?

Our children have been exposed too much, much more than we realize and it has been glamorized by movies and series Teen Wolf and Twilight and all those things.

We don't realize the damage.

I did not know how deeply morally corrupt and depraved the world is out there and how they literally prey on the minds of young children and chipping away at their imaan until now.

That bestiality can become attractive to them is so much more beyond our dilemma with LGBTQ. May Allah protect our children. *(Your dua is empty, devoid of sincere substance. Parents are aware that there daughters are well on the way of zina and prostitution, but they choose to remain blind because of their own worldly and nafsani pursuits. Their Imaan has been extinguished. While*

they deceive themselves and others to portray themselves as Muslims, they are actually kuffaar – The Majlis)

[4/27, 10:05 PM] ∴ SImz mums hope u all well

So after reading yesterday story... I tawt I'd share this with the mums just so we can be on an alert mkde with our kids and cell phones *(These mums are rubbishes. They have the tendencies of prostitutes, hence they are able to condone the filth and zina of their children – The Majlis)*

My sister teaches grade 4 kids

In Ramadan they had an incident where the boys told some girls about a few inappropriate websites to go see and they even said to them when u watching it dont forget to use cream.

At least the girls were clever enough to tell their mums about the incident but unfortunately we living in scary times.... *(The scare is the making of the parents who are first class RUBBISHES! –The Majlis)*

We just need to be sooo careful with what our kids get upto on the fones. *(Don't acquit yourself with stupid advice. Parents have placed devices of zina and porn into the hands of their children, so don't proffer stupid advice! – The Majlis)*

Also there's only so much u can control but these things are happening these days and its as small as grade 4 kids." *(You are satanically wrong. Parents have full control over their children. But for their own evil motives and goals they cast their children into the cauldrons of immorality and zina. – The Majlis)*

I am at a loss of words. When are our Muslim parents going to realize that Imaan and Akhlaaq are superior "School". Actually, parents are finding it increasingly difficult to take responsibility and nurture their children. It's just simpler for them to send the children out to schools and madrassas so that they out of their way-nevermind the ruining of Imaan and Akhlaaq. Muslim parents have forgotten that children are our Amaanat and a means of our salvation or destruction.

The best advice The Majlis gave us is not to allow our children to mix with other children freely and not to send them out of the home to learn if they will end up mixing with other children otherwise their Akhlaaq will be ruined.
