MJC TREACHERY

THE CLAREMONT VENUE IS A SHIAH TEMPLE, NOT A MUSJID

Question

A Shiah scholar, Zaid Alsalami has been invited to give a talk in the Claremont Main Road Masjid in Cape Town. Is it permissible to allow a Shiah to give a lecture in a Masjid? Secondly, the advert states: “The masjid will open for jumuah via pre-registration...” Is this ever permissible?

Answer

There is no conundrum in this satanic scenario. The ‘scholar’ chap is a Shiah. The venue which you have understood to be a ‘Musjid’, is NOT a Masjid. It is a Shiah temple. Nothing but *kufr* and *shaitaanīyat* emanate from Shiah scholars and Shiah temples.

Just a day ago this miscreant, deviated Shiah chap, answering a question regarding *ZINA* (fornication/adultery) which they term ‘*Mut’a*’, said:

“The (Mut’a) contract must be verbal, and therefore texting will not be valid. As for verbal phonecall, as long as all other conditions and requirements are met, it will be valid.”

The trump-draw card – the chimera which Shiahs dangle in front of moron Muslim fussaaq/fujjaar who are bereft of Deeni understanding, is their tenet of ‘sanctified prostitution or zina/adultery. Jaahil Muslims especially of the university breed are drawn to Shi’ism, not by its corrupt *kufr* beliefs, but by the ‘holiness’ the Shiah enemies of the Sahaabah ascribe to legalized prostitution which they term *Mut’a*.

This filthy, immoral, obscene practice permits gratification of sexual lust for even an hour upon payment of a mutually agreed sum of money. After the immoral man has gratified his bestial lust, the so-called 'contract' terminates. He has the Shiah 'right' to indulge 'legally' in fornication/adultery for the stipulated time agreed by the fornicating parties.

To compound the Satanism of this obscene Shiah *mut'a* practice, is the Shiah belief of reward. The participants in this Shiah brand of prostitution are 'religiously' promised high and considerable rewards in the hereafter since it (*mut'a* – *zina*) is a religious practice according to Shi'ism.

As for 'jumuah by registration', firstly, Shiah have their own style of convoluted 'jumuah' which in reality has no affinity with the Jumuah Salaat of Islam. Secondly, 'registration' befits the Shiah temple. There is therefore no surprise. Your quandary was due to your misunderstanding of the venue being a Musjid. It is a Shiah temple, hence there should be no surprise.

MJC TREACHERY

The worst aspect in regard to this current Shiah episode is the treachery of silence by the MJC whom the ignorant masses in Cape Town believe is Muslim. In reality, the MJC consists of a miserable, contemptible, disgusting group of Munaafiqeen masquerading as Muslims.

If these *shayaateenul ins* (human devils) of the MJC had not been *shayaateen* and *munaafiqs*, but were genuine Muslims as they parade themselves to be, then it would be inconceivable for them to have maintained a deafening silence akin to connivance, in the face of the spread of Shi'ism in Cape Town.

Assuming that the MJC is 'Muslim', then the only interpretation is that their lips have become welded by Shiah boodlee. It is the money which is the primary pursuit and objective of the MJC munaafiqeen, which is the determining factor for their silence, connivance and co-operation with Shiah. They are therefore not expected to open their rotten mouths to warn their ignorant Muslim community of the danger of Shiah 'scholars' and the Shiah temple in Claremont.

The MJC molvis – there are no longer any Sheikhs of the former breed in the MJC – are such jaahil scoundrels who will, according to the Hadith, have to circumambulate (make tawaaf) of their entrails in Jahannam. In HELL will their entrails be extracted and cast before them. They will then be compelled to make tawaaf of their rotten, stinking entrails in Hell-Fire. This form of punishment for such munaafiq scholars for dollars as the MJC louts is mentioned in the Hadith.
