IMMORALITY AND OBSCENITY – SIGNS OF THE IMPENDING HOUR

A Brother writes:

Yesterday (Saturday 11 June 2022) in Lenasia there was a house party at a Muslims house). The house is very near to the Masjid. The music was so loud and the voices of both males and females were so loud that I could hear it in my own house.

It is really amazing and totally unexpected of Muslims conducting themselves in such kuffaar mannerism. All the neighbours thought that it was a kuffaar party only to find out that the music and screaming sounds of men and women were coming from the house of the Muslim.

This clearly shows that these Muslims do not respect the Masjid nor do they respect their Muslim neighbours. They showed no respect whatsoever for the Deen.

They were jiving and singing on top of their voices to the music artists they were listening and playing their music.

Everyday we see that the situation of Muslims in South Africa and in so-called strong Muslim communities is deteriorating to that of wild monkeys and baboons jumping, screaming, singing, playing the devil's music loud and partying.

Was Covid (I am talking specifically about the deaths and not the plot of the west) not an eye opener as to how many people have died recently. We have just exited Ramadan and are close to the month of Zul-Hijjah and yet we go on like this.

The most annoying factor was the screeching voices and sounds come out of the mouths of the women of that household. Yes, the boys were also performing and singing along with the kaafir musicians whose music they were playing.

Insha'Allah, if I am able, I plan to leave the Lenasia community and move away from the evil and immorality happening here.

Daily you see reports of Muslims involved in some sort of issue like hijacking, fraud, selling one car to ten people, music, dancing, partying, disrespecting the Masajid, women driving with their so called "purdah" up and exposing their faces, violating the laws of Allah with no care in the world and the list can go on and on.

This is the democracy that we all had desired. Soon a time will come in South Africa where the only things of Islam left will be it's empty Masajid (buildings) and the people will be bereft of Deen. Stripped of Deen and behaving like kufaar jaahils.

Insha'Allah I look forward to the comments of the Mujlisul Ulama whom we look to for guidance in these troubled and turbulent times after ALLAH SWT (firstly) as there is no more Ulama who speak up, who do not hide the truth in order to be liked by the people. Many people say "O look at how wonderful that Moulana or Mufti is!" And their praise of him is because he hides the truth and makes falsehood seem normal and acceptable. They do not speak up and tell the people the truth. The truth is a bitter pill. Friday Jumuah is no longer to correct the masses who are on the wrong path. The Jumuaahs are about "I travelled here and there and saw this and that" while the Haqq is kept away from the masses. Please comment.

THE COMMENT OF THE QUR'AAN MAJEED

"He (the vile transgressor) is the one whom Allah has cursed and on whom He has cast His Wrath. And Allah has made from them apes and swines, and they worship Shaitaan. They are in status the worst (of mankind) and the most deviated from the Straight Path."

(Al-Maaidah, Aayat 60)

"When they transgressed (all limits) of that which had been prohibited for them, We said to them:

"Become Disgraceful Baboons!"

(Al-A'raaf, Aaya 166)

Allah Ta'ala says in the Qur'aan Majeed:

"When We intend to destroy (the people of) a town (or city, etc.), then We command its affluent people (i.e. give them free run). Then they perpetrate fisq (immorality) in the town. Then the Decree (of Athaab) becomes confirmed for them. We then utterly destroy them."

Rasulullah (Sallallahu alayhi wasallam) mentioned that with the approach of Qiyaamah, there will be people who will become disfigured and transformed into apes and pigs whilst they will be enjoying themselves in their vice and immorality – music and liquor. The shaitaani perpetrations of fisq and fujoor on a massive scale of filth and obscenity as explained in the aforementioned letter as well as is observed nowadays generally in wedding halls, are setting the stage for the transformation of people into apes and swines, and this is in the literal and physical sense.

The hearts and minds of these vile followers of Shaitaan have already been disfigured into the hearts of apes and swines. The time will come when the *rijs* in their hearts will become manifest on their faces in the form of disfigurement of faces into pigs and baboons.

The reality is that these SWINES are not Muslims. They have long ago destroyed their Imaan if ever they had any semblance of Imaan. The rot which is explained in this letter as well as in several other letters by concerned Muslims is the tip of the iceberg of filth and vice wracking the Muslim community. Muslims basking in opulence, even those who are feigning to be of the ‘religious’ type, are wallowing in the filth of moral degradation. The numerous bounties of Allah Ta’ala they enjoy and misuse, and their millions have lulled them into a torrid, fearful complacency which bodes destruction. And, this destruction will be the *Athaab* of Allah Azza Wa Jal. And, this *Athaab* of Allah Ta’ala will overtake and apprehend the South African Muslim community as sure as the rising of the sun in the east.

When *fisq* and *fujoor* traverse the rubicon, then it heralds the all-engulfing Divine Punishment which will uproot the community. This *Athaab* will arrive in either the form of some natural disaster or an unstoppable tide of xenophobic violence which will pillage, plunder and destroy everything in its pathway. This will be the Scheme of Allah Ta’ala, about which the Qur’aan Majeed states:

“Never will you find for the Sunnah of Allah a change.”

Utterly uprooting and destroying nations when they reach the point of no return – when all hope for their reformation has faded into oblivion – is of the Sunnah of Allah Azza Wa Jal.

“(Ponder! Reflect!) How many nations have We destroyed after Nooh!”
(Al-A’raaf, Aayat 17)

“Many were the towns We had destroyed. Thus Our Punishment came (suddenly) to them during the night or whilst they were resting (in the afternoon).”
(Al-A’raaf, Aayat 4)

Let these baboons and swines just not forget that one of the forms of the *Athaab* of Allah Azza Wa Jal is the Whip of XENOPHOBIA. The Muslim community is sitting on a time bomb ticking away.
