20 Rajab 1443 – 22 February 2022

A MEETING OF MORONS OF THE NNB JAMIAT MUNAAFIQ JUHALA

The NNB jamiat (NO NAME BRAND) jamiat of Fordsburg in another stupid, futile attempt to salvage some of its loss of support and severely mauled credibility – mauled by the haraam shenanigans of its Reverend Abraham Bham & Co. held a merrymaking function where these charlatans and clowns blew much hot air signifying nothing. The get-together was a function of talking nonsense, gluttony and excreting.

The advertising poster issued by the NNB jamiat for its merrymaking function held in Fordsburg on Sunday 20th February, illustrates the confusion, lack of true Deeni Ilm and total Imaani bankruptcy of the conglomerate of deviates posing as ‘ulama’. In its advert, Reverend Bham says:

“South Africans in general and Muslims in particular are becoming increasingly apprehensive about their future well-being in a country with numerous socio-economic and political upheavals.”

It will be prudent to mention at this juncture, that the NNB clique of molvis who now have acquired the penchant of advertising themselves as ‘shaikhs’, acquire ‘guidance’ and directives from one misguided so-called ‘Muslim’ politician whose focus is on entering into Jahannam. These NNB molvis seek advice from this jaahil layman. It is a case of juhala being guided by a jaahil, and this is precisely what Rasulullah (Sallallahu alayhi wasallam) predicted as one of the scenarios of the Impending Hour of the Trumpet.

What the jaahil Reverend knows of the Muslim community’s feelings, understanding and so-called ‘apprehensiveness’ is outrageously stupid. He and his ilk speak from the dregs of their *nafs*. Allah Ta’ala is everlastingly excised from every equation these juhala munaafiqeen fabricate in their desperate labour for acclaim and leadership which is a curse after which they are hankering. On the Day of Qiyaamah will they understand

the *wabaa* (calamity) of their lust for leadership acclaim. The gargantuan lust for leadership is the pathway leading to Jahannam, and that is the way Bham & Co. are pursuing.

The future of the Muslim community as well as that of all communities is in the control of Allah Azza Wa Jal. Only He will decree our future. No one else has the power to harm or benefit us regardless of the stupidities and din kicked up by rabble rousers and moron molvies who have sold their souls at the altar of kufr. Rasulullah (Sallallahu alayhi wasallam) said that if entire mankind unites to harm or benefit you, they will succeed in only that degree which Allah Azza Wa Jal has ordained for us. Thus the so-called ‘numerous socio-economic and political upheavals’, are all operating under Divine Command and will benefit or harm us only to the degree of His Decree.

Nothing in creation operates outside the bounds of Divine Decree. Aid is from only Allah Ta’ala, not from any entity whom these munaafiq molvis bootlick. The Qur’aan Majeed unequivocally declares: “*And, there is no aid except from Allah, The Mighty, The Wise.*” (Aal-e-Imraan, Aayat 126) The plots and plans of all the Satanists whose boots these munaafiq molvis are licking will miserably fail if Muslims adopt the Qur’aanic prescription of submission and obedience to Allah’s Shariah. If this sacred Prescription is not adopted, Allah Ta’ala will then impose on us from the side of the kuffaar such upheavals which will humiliate and deracinate us just as it is transpiring in different regions of the world currently. The Prescription for us is what Allah Ta’ala says: “*If you have sabr and cultivate Taqwa, never will their plot harm you.*”

Reminding us of the Qur’aanic Prescription, Allah Ta’ala says: “*If Allah helps you, none can defeat you. And, if He abandons you, then who is there besides Him who can help you? (Thus) the Mu’minoos should have Tawakkul on Allah.*”
(Aal-e-Imraan, Aayat 160)

The prescriptions proffered by these juhala molvis and their political cohorts will never extricate the humiliated Muslim community from its current morass of degradation.

The jaahil Reverend Bham mentions in his advert: “...for Muslims to serve as standard-bearers and lead the way”. “Standard-bearers of what? Of fisq, fujoor and kufr! And ‘lead the way’ unto where”? These morons are seeking Muslim support for becoming standard-bearers of kufr and for leading the way to Jahannam. Their lives are focussed on kufr and Jahannam for which they are destined.

For Muslims there is only one Path – *Siraatul Mustaqeem* – the Sunnah and the Shariah. There is absolutely no other pathway for us regardless of the satanic ‘socio-economic upheavals’. These jaahil munaafiqeen who survive on carrion and haraam boodle are morally corrupt and spiritually bankrupt. They therefore do not believe in the efficacy or even validity of the Qur’aanic Prescriptions. For them the Qur’aan is antique, hence the commands and advices of the Qur’aan and Sunnah have no meaning for them. This attitude of kufr constrains them to organize their merrymaking functions of eating and excreting in futile bids for acclaim and leadership. But their rotten pride will not attain fulfilment. Allah Ta’ala will thwart and ruin them. Regarding their

pursuit for worldly glory and money, the Qur'aan Majeed states: *"In their hearts is nothing but kibr (pride) which they will not attain."*

In pursuit of their despicable objectives of *Kibr*, they degrade and humiliate themselves running after politicians and bootlicking governments, believing that these *najis* entities will grant them worldly ranks which the accompaniment of monetary gains.

Scraping the bottom of the barrel in pursuit of credibility, Reverend Bham and his munaafiq cohorts have prepared a ludicrous agenda for their merrymaking function. The moron while speaking of "numerous socio-economic upheavals", formulated an agenda consisting of a compound of nonsense. Not a single item on his programme is Islamic or even from the secular angle has any answer or solution for what the devil terms "numerous socio-economic upheavals". Not even the mock 'qiraat' or the regimented, mock five minute 'dua' has any Deeni value. The whole stupid function was an exercise in a desperate bid to regain some credibility which these juhala have lost in the wake of their promotion of kufr.

Allah Ta'ala has exposed their kufr and nifaaq by enactments at their own hands. They became absolutely blind to the consequences of their brazen kufr call for closing the Musaaqid, for suspending Jumuah and Fardh Jamaat Salaat, for becoming the Friends of the Court and the Enemies of Allah Ta'ala by begging the kuffaar court to close the Musaaqid. They could not understand that they were dabbling with Fire. They damned themselves and paved the path for their entry into Hell-Fire by ridiculing the Houses of Allah Ta'ala accusing the Musaaqid of being 'super-spreaders' of the covid devil. They even removed copies of the Qur'aan Majeed from the Musaaqid believing that the Qur'aan copies are also spreaders of the disease. They have compounded their villainy with compound kufr – kufr piled on kufr. That is why they are even wooing the politicians, the government and even Shiahs for support and for Iranian boodle.

But as far as Islam is concerned, they display an attitude of extreme velleity for the Sunnah precepts, and they verbally offer wistful allegiance to Islam whilst in reality their hearts are brimming with nifaaq. No matter how much they sniff around to find Deeni evidence to support their narratives for promoting bootlicking of the kuffaar, they will miserably fail in their schemes. Their search for solutions to our problems beyond the confines of the Qur'aan and Sunnah is a demonstration of breath-taking jahaalat of the Divine System. How can a Mu'min ever exclude Allah Azza Wa Jal from the activity of even the slightest and most insignificant of His creation, then yet claim to be Muslim? The Qur'aan Majeed states:

*"By Him are the Keys of the Ghaib. No one knows these but Allah.
He knows what is in the ocean and on the land. Not a leaf falls
(from a tree), but He is aware. There is neither a seed in the
darkness of the earth (underground), nor anything moist or
dry, but it is recorded in a Clear Book."*
