A PARTY FOR PROSTITUTES ORGANIZED BY PROSTITUTES AND LED ON BY THE MURTAD, MUNAAFIQ MR. SOLOMON MOOLA

A party for divorcees who are in reality prostitutes has been organized in De Deur by some agents of Iblees led on by Iblees-in-Chief, Mr. Solomon Moola who has abandoned Islam.

The following article by some anonymous Brother is reproduced. The brother has expressed criticism very mildly. When Allah Ta'ala grants us the Taufeeq, we shall comment further, Insha-Allah.

A programme has been scheduled in De Deur "For divorcees by divorcees"

This programme seems to be romanticising divorce and a ploy to forward the feminist agenda.

Divorce is a despicable and detestable act in the Shari'ah, and is rarely a solution to the squabbles between partners.

Nabi (sallallahu alayhi wasallam) said: Of all the lawful acts the most detestable to Allah is divorce.

On the flip side, divorce has been glorified by the wayward West and is shown to be a symbol of power to feminists.

Divorce is celebrated and taken as a symbol of liberation.

Shocking and unprecedented levels of divorce are plaguing the Muslim Ummah.

This is mainly due to the removal of Islamic values and the sublime Sunnah from our lives.

Sadly, the youth are either obsessed with the one-day glamour gala or with lustful carnal desires like animals.

Once the fame and flame subsides, so does the spark of 'love'.

This too, sadly is being condoned by modernist and liberalist outfits claiming to be 'Islamic'

A marriage isn't a continuous cycle of pomp and show, but rather a balance of responsibilities and effort.

Once the 'honeymoon phase' elapses, reality settles in. Cooking, cleaning, maintaining a house, upbringing of children take centre stage.

It's pitiable and lamentable to note that 'scholars' who openly dismiss and downplay the Sublime Sunnah of Nabi (sallallahu alayhi wasallam) are the very ones promoting, encouraging and rubber-stamping such 'divorcee parties'

It is as clear as daylight that these scholars have surely abandoned the Sunnah and are in stark contrast with the teachings of their very own Asaatiza.

THIS IS AN URGENT WARNING TO THE UMMAH:

Be wary of feminism, liberalism and modernism creeping into the Ummah through these 'scholars'

Let these words of Hadhrat Muhammad bin Sireen (Rha) be sufficient as an admonition for the wise:

"Verily, this knowledge (of Islam) is Deen, so choose very carefully from whom you acquire your Deen"
