THE SAUDI KUFR IMBROGLIO

*Rasulullah (Sallallahu alayhi wasallam) said:
"You're a'maal (deeds) are your Ummaal (rulers)."*

28,000 zaaniyaat apply for 30 haraam jobs

**Saudi Arabia 28000 women apply for
30 train driver jobs**

Published 19 Feb 2022

It is the first time train driver jobs have been advertised for women in Saudi Arabia

A rail company recruiting 30 female train drivers in Saudi Arabia says it has received 28,000 applications.

The successful candidates will drive high-speed trains between the holy cities of Mecca and Medina after a year of training.

It is the first time such roles have been advertised for women in the conservative Muslim kingdom.....

But in recent years the government has made efforts to increase the number of women in work as part of Crown Prince

Mohammed bin Salman's plan to diversify the oil-dependent economy.

It has also pushed through a number of social reforms, including ending the ban on women driving and easing male guardianship laws to allow women to travel freely.

As a result of such changes, the participation of women in the workforce has almost doubled over the past five years to 33%, and more women than men entered the workforce in the first half of last year.....”

COMMENT

The blame for the kufrization and the abrogation of the Shariah in Arabia today cannot be laid only at the door of Murtad Bin Shaitaan (MBS). He is merely the mirror of the Saudi population. The state of fisq, fujoor and kufr is being reflected in the current kufr regime. Allah Ta’ala has exposed the fisq, fujoor and kufr of the Saudi people by installing the MBS regime. Thus, this kufr regime represents the kufr of the people.

Just imagine the glut of zaaniyaat (fornicatresses and prostitutes) in the Land of Islam – in Islam’s holiness Land? Now that they have a free licence to advertise their immorality and kufr, 28,000 of the Saudi filth has applied for such jobs which requires display and self-expression.

The vast majority of the Saudi populace is kuffaar – murtadd. No one should therefore be surprised at the kufr ‘reforms’ sweeping the Holy Land under the regime of Iblees.
