## THE DANGER OF THE POTION OF IBLEES – “SPIKED PROTEIN SHEDDING”

### Question

(1) What is the status of informing people about the harms of spiked protein? Does warning people in this regard entail denial of the *Laa Adwaa* Hadith?

### Answer

1) Warning people of the harms of spiked protein is not denial of *Laa Adwaa*. It is merely warning them of poison and the danger of the vaccine.

### Question

(2) What is the status of the following Notice? Is it in denial of the *Laa Adwaa* Hadith?

Notice to all visitors!

Due to health and safety concerns, myself and my family have decided that:  
NO VACCINATED PERSON will be allowed inside our house due to possible  
“Spike Protein Shedding” from the vaccines.

Please do not endanger us or anyone else with the experimental drug that you  
were injected with? No exceptions will be made!

Mufti Ebrahim Smith

### Answer

2) The attached sign is valid. It does not deny *Laa Adwaa*. It warns against the poison of the satanic vaccine potion.
