BHAM-MOOLLA-MENK THE SATANIC TRINITY

Commenting on the shaitaani bham-moolla-menk trinity, a group of Concerned Brothers says:

bham, menk and moola,

The pandemic/ plandemic/satandemic was a blessing in disguise for us the laymen. We, the laymen, used to have a good opinion, although difficult, towards the above mentioned so-called 'ulema'. With the plandemic satanism, we've seen and witnessed the nifaaq being spewed from their mouths.

Seerah Jalsa was supposed to be a gathering to trigger off or make a person incline towards the love of Nabi Sallallahu Alayhi Wasallam whereas these actors/clowns just darken the Houses of Allah with their make-up faces. How can they ever speak on the Seerah of Nabi Sallallahu Alayhi Wasallam when their actions are diametrically opposite to the Seerah of Nabi Sallallahu Alayhi Wasallam?

Menk and Bham have confirmed their hatred for the Masjids. Menk claims that when a person goes down there in the Masjid, making sajdah when he is closest to Allah Taa'la: "You'll pick up diseases." Menk speaks about following the Seerah of Nabi Sallallahu Alayhi Wasallam in having small, simple weddings according to Sunnah. But then he does the complete opposite when he is invited to Dubai for a wedding completely totally against the Seerah of Nabi Sallallahu Alayhi Wasallam. These guys are acrobats known for somersaulting.

Bham closed the Masjids even before the government closed the Masjids. Bham a compulsive liar, same as the tv actors. I guess that's how actors are, when he's been admonished about closing the Masaajid he vehemently denies it.

We also noticed only on some of their pamphlets and notices he'll sign his name, for the permissibility of vaccines which they claim, conveniently he won't sign. Worst than that he goes to the court as 'friends of the court' to close Masjids and oppose the sincere servants of Allah Ta'aala who want the Musjids to be open. And if that was not enough of a disgrace, they then join the lesbians as 'friends of the court'.

Moola, likes the cameras rolling. He waits for these opportunities.

Therefore, we the laymen agree with those Ulema who they say that to perform Salaat behind these actors is not permissible. Concerned Brothers."

(End of the comment of the Concerned Brothers)

OUR COMMENT

While it is lamentable to have such scoundrels in our midst posing as 'ulama', this is a development predicted by Rasulullah (Sallallahu alayhi wasallam). This unholy trinity of Munaafiqs is a Sign of Qiyaamah. They are among the worse *Khanaazeer* under the canopy of the sky. Only a veritable human devil (*shaitaanul ins*) will have the satanic temerity displayed by the Menk Iblees who claims that the Musjid of Allah Ta'ala is a "superspreader of disease", and that the musallis will contract disease when making Sajdah in the Musjid, and that the disease will remain embedded in the Carpets of the Musaajid for 8 days.

About these shayaateenul ins who plunder the Imaan of the ignorant and unwary, Rasulullah (Sallallahu alayhi wasallam) expressed great fear. He said that he fears them more than even Dajjaal.

Who other than the *khanaazeer* will be in association with lesbians and the like? Who other than human devils will strike up dalliances with homosexuals and hold them in esteem? Who other than Munafiqeen will display such flagrant hatred for the Musaajid, which constrains them to petition the kuffaar court to close the Houses of Allah Ta'ala? All of their kufr villainy will perpetually hang like a dead albatross around their necks.

Numerous laymen are seeing the hidden kufr and reality of these scoundrels whose masks of nifaaq have been ripped off by the Ulama-e-Haqq after they (the scoundrels) promoted the donning of the niqaab of Iblees and promoted the protocols of the atheists. Allah Ta'ala has disgraced them, and they are still in line for further humiliation.
