

STRIKING BAATIL

"In reality, We (Allah) strike baatil (falsehood) with the Haq. It then smashes out the brains of baatil. And, lo, it (baatil) suddenly disappears."

JOULANI THE MUNAFIQ FAKE 'JIHADI'-SURROGATE OF USA

Question

What are the comments of Al-Haq on the Syrian victory? What is your view on Hay'at Tahrir Al-Shaam's leader, Muhammad Al-Joulani. Recently he was interviewed by the American CNN news agency wearing a suit, and the interviewer was a kaafir woman. Are these mujahideen sincere or puppets of America?

Answer

They are insincere and puppets of America. We have already published with clarity our views and comments regarding the so-called victory in Syria, and the characters of these American 'jihadi' outfits. Joulani and all of these 'jihadi' outfits are the creation of America. They are activated and deactivated by the USA as the global hegemonial interests of America dictate.

After having creating HTS, Joulani was designated by America "*Special Designated Terrorist*" and a \$10 million reward was offered for information leading to his 'capture', and this was when his whereabouts were fully aware and when he was fully accessible to the US. It should not be forgotten that the US-Israeli axis has eliminated the top leaders of Hamas and Hizbullah. But, no attempt has hitherto been made to kill Joulani despite him being fully accessible carrying on his head the \$10 million prize.

Now he will be appearing on the public platform increasingly like an Englishman or a Yahudi, dressed like the kuffaar because he has undergone a swift metamorphosis. From a 'Specially Designated Terrorist' he is being rebranded as a 'democrat'. Hence, he has repeatedly stated prior to the imaginary 'victory' and after this fiction, that his movement will represent all ethnic religious groups. The government he envisages is no longer the Shariah which was the chimera in the early stages to attract the moron foot-soldiers, stupid youngsters who lack knowledge in even the rudiments of Istinja. The only way of luring stupid youngsters is to hang in front of them the bait of Jihad.

While Israel is bombing in the vicinity of Damascus and is poised to capture the city, Joulani and the moron Syrians are celebrating a fictitious 'freedom'. There has happened no *Tahreer-e-Shaam (Freedom of the Land of Shaam)*. The only ugly

consequence of this fictitious 'victory' is the substitution of one kufr entity with another kufr entity. The Khinzeer Bashar Assad has been removed. Now the vacuum will be filled by kuffaar of another kind. But in so far as Muslims are concerned, it should be understand that *"All kufr is a single breed."*

This munaafiq chap told CNN that according to him "the goal is to build a new Syria with a government based on institutions and a people's council." The idea of a Shariah government has disappeared into the limbo of oblivion. How is it ever possible for a Shariah government when the louts and rascals in charge are the illegitimate offspring of America?

Noteworthy is the attempt of the anti-Islam Western media to de-terrorize the terrorist label with which Joulani was fitted by his handlers in Washington. The current prevailing situation in Syria is among the aims of the US. The end game requires the total destabilization of Syria in emulation of the Libyan style conspired by America.

Depicting the Joulani character, a Christian journalist said: *"And all these (jihadi) rebels got their training and their gear from those actors. You've got a photo of Jolani who's just casually standing there watching Damascus as it's being bombed by Israel, doing nothing. And what is he wearing? He's wearing a T-shirt from Emerson Gear. ...*

And have you noticed that they never attack Israel, ever? And they won't lift a finger for Palestine. These jihadists are in Damascus under the Israeli bombs and they still won't fire a shot at Israel. They won't even talk about the bombings.

These rebels have conspired to leave Syria defenceless. Instead of fighting Israel, they're busy changing flags and eating ice cream and giving speeches. That's how much they care about Syria.

Israel has destroyed Syria's military and Syria's central role in the Palestinian cause. And Jolani and his al-Qaeda scum are going to sit on the throne, and U.S. corporations and banks will take over Syria's economy, hollow it out, steal its resources, and block the new Silk Road's access to the Mediterranean Sea so that they can cripple China and the global south.

This has been their plan all along. The same people that are committing a genocide in Gaza have taken over Syria under the banner of a fake revolution. And those who call themselves pro-Palestinian, many of them are too blind to see that by celebrating what is happening in Syria, they're siding with Netanyahu."

Joulani and the 'jihadi' outfits are playing a decisive role to achieve the goals of the American conspiracy. He will continue in this role as long as he remains an obedient bootlicker of his American handlers. However, when his utility has expired, he will be ignominiously disposed of by the masters whom he is bootlicking.
