

STRIKING BAATIL

"In reality, We (Allah) strike baatil (falsehood) with the Haq. It then smashes out the brains of baatil. And, lo, it (baatil) suddenly disappears."
(Qur'aan)

THE BAND OF HAQ

"There will ever remain a band from my Ummah fighting on the Haq until the Day of Qiyaamah. Those who oppose them and those who do not aid them, will not be able to harm them."

SYRIA HAS DISAPPEARED DEVOURED BY THE PLOTTERS YAHOOD POISED TO TAKE DAMASCUS

The country known as Syria no longer has a real existence. It exists in name in stupid American forums such as the United Nations where crowds of baboons drown reality with their cacophony of rubbish resolutions. While Turkey has carved out a large chunk from former Syria, the USA has secured its share. Israel has swiftly invaded the country and is now poised to take Damascus.

Any government formed at the dictation of the USA will be a paper government which will include former 'terrorists' now re-branded 'democrats' by the US. Al-Julani, the head of *Tahreer-e-Shaam (HTS)* was labelled by the US "*Specially Designated Global Terrorist*", and a \$10 million reward was offered for information leading to his capture. But today this *Special Terrorist* is recognized as the 'Head of the State of Syria' (Paper Syria). Despite his public appearance and the ease with which the US can detain him, no such move is made by his Handler the US.

The USA activates its surrogate 'mujahideen' whenever the need is discerned, and it will chase them and dispense of them when its filthy need has been accomplished.

There is no dearth of simple pretexts to justify further Israeli incursions and capture of territory in the interests of giving effect to the conspired 'Greater Israel' plot of the Yahood. Israel or the USA only needs to pay some stupid so-called 'mujahid' to fire some ineffective rockets into Israel to land somewhere on barren land or these conspirators could simply instruct their own men to fire such rockets from the captured terrain. This would provide international justification for further invasion and annexation.

Tahreer-e-Shaam is a myth. It is a fiction coined to bamboozle and trap ignorant Muslim recruits to act as the foot-soldiers in furtherance of US objectives. There

is no such plan to *Free the Land of Shaam*. Shaam will be freed from the clutches of the Yahoood and Nasaara by Imaam Mahdi (Alayhis salaam). It will now remain under the control of these kuffaar as a punishment for a treacherous Ummah. Meanwhile there appears still some value for the US to retain the services of its 'jihadi' surrogates who are activated and deactivated by the US as demanded by its global hegemonial designs.

The HTS designation will most probably fade away silently and these fake 'mujahideen' will become part of a paper democracy to be established by the US in a paper Syria.

The Ummah is in an era which demands Sabr, Dua and Islaah. Islaah (Moral Reformation) is the fundamental requisite for Taqwa on which relies the Nusrat of Allah Ta'ala. Besides Allah Ta'ala, there is no succour for this Ummah. If only Muslims can realize this Truth stated in the Qur'aan Mahjeed:

*"If Allah aids you, no one can defeat you, and
if He abandons you, then who is there
besides Him to help you?"*
(Qur'aan)

"Allah suffices for the Mu'mineen in Qitaal (war)."
(Qur'aan)

Allah Ta'ala will suffice for us the day we become *Mu'mineen* in the meaning of the Qur'aan. The requisite for this meaning is Taqwa:

"Verily the friends of Allah are only the Muttaqeen."
(Qur'aan)
