

STRIKING BAATIL

"In reality, We (Allah) strike baatil (falsehood) with the Haq. It then smashes out the brains of baatil. And, lo, it (baatil) suddenly disappears."

SYRIA**THE GAME HAS NOT ENDED*****VICTORY FOR THE USA AND ISRAEL***

Only morons are deceived and cast into jubilation by the fall of Damascus to the U.S.A. and Israel who have activated their surrogates, the so-called 'jihadi' outfits to enact the American-Israeli victory stupidly painted with some 'islamically' appearing hues. Nevertheless, the American-Israeli victory has produced two immediate consequences: One good and one evil. The good consequence is the release of tens of thousands of prisoners who were tortured and brutalized horrendously by the Shiah *khinzeer*, Assad. Thousands of women were kidnapped and imprisoned in the vilest kinds of dungeons and systematically raped and brutalized. This consequence is most welcome.

The evil consequence is the strengthening of Israel and greater Israeli control in the Middle East. Israel has already invaded Syria, bombing even Damascus. Large tracts of land have already been colonized by Israel. Gazzah's position has weakened, and the Israeli dream of 'greater Israel' with the annexation of entire Palestine appears to be gaining reality.

The 'blitzkrieg' advance of the 'jihadi' outfits, every intelligent person knows, was engineered by the USA. 'Blitzkrieg' deceptive 'victories' are the hallmark of American plots. The same stunt was enacted by Al-Baghdadi when Mosul fell. The same stunt was displayed when the Taliban finally staged their lightning capture of Kabul, and now America has demonstrated it in the fall of Damascus. Yes, Damascus has fallen – fallen into the net set up by the USA and Israel.

Thus, besides the release of the prisoners, there is no cause for celebrating this hollow absolutely deceptive 'victory'. The 'jihadis' are being used as bandits. They are not in control of the country. They are not the government, and they will not be the government. Their handler, the U.S.A. has its own satanic agenda.

The Land of Shaam has not been liberated from Kufr and the Kuffaar. It has only passed hands – from one kaafir to another kaafir.

The dark, satanic plot is still in the process of unfolding. Chaos has already been initiated in Damascus and elsewhere in Shaam in the wake of this deceptive, ostensible ‘victory’. It is not a victory for Islam. It is not a victory for the Ummah.

The USA will continue employing the services of its surrogates. Once it has extracted maximum capital from its underling ‘jihadists’, the USA will dispense of them just as it has dispensed with Al-Bagdaadi, the so-called ‘khalifah’ installed by the USA when Mosul was granted to him, and just as the USA had dispensed of its protégé and agent, Osama bin Ladin.

As long as HTS & Co. toe the line and remain obedient boys, America will tolerate and use them. When their use becomes redundant, they will be eliminated by their handlers, bosses and paymasters.

A Jihad cannot be conducted under kuffaar directive and direction. Jihad is never an element in the kuffaar plot. The one and only Objective of Jihad is *I’laa Kalimatullah (Raising the Word of Allah)*. When Muslims lack this capability, as it the lamentable state of the Ummah today, the only option then is Sabr, Dua and Islaah.

In furtherance of the interests of the American and Israeli kuffaar and *khanaazeer*, the plot has among its objectives to establish the Libyan pattern of anarchy in Syria.

While the Syrian upheaval is conspicuously and glaringly American inspired, in the final analysis it is the ‘Plot’ of Allah Azza Wa Jal which will be enduring. Never delete Allah Azza Wa Jal from the equations of life.

***“They plot and Allah too plots,
and Allah is the best of plotters.”
(Qur’aan)***

***“Not a leaf drops (from a tree),
But He is aware.” (It is by his
direct intervention and command).
