

STRIKING BAATIL

"In reality, We (Allah) strike baatil (falsehood) with the Haq. It then smashes out the brains of baatil. And, lo, it (baatil) suddenly disappears."
(Qur'aan)

Al-Haq

10 Rajab 1446 – 10 January 2025

THE BAND OF HAQ

"There will ever remain a band from my Ummah fighting on the Haq until the Day of Qiyamah. Those who oppose them and those who do not aid them, will not be able to harm them."
(Hadith)

MR. DONALD TRUMP!
**“HELL HAS BROKEN
LOOSE IN YOUR
AMERICA”**
GAZA COMES TO AMERICA!

Just a few days ago, this Clown Trump, threatening Hamas, said that if by the time he has taken office, the hostages are not released, then ***“ALL HELL WILL BREAK LOOSE”***.

Today the Ummah has great pleasure to inform this jaahil clown that indeed, ***“ALL HELL HAS BROKEN LOOSE”***. It has broken loose in America. True ***HELL*** bellowing and disgorging its rage and wrath on a historically unprecedented scale is giving the Yahood and Nasaara a taste of their own brutality, murder and satanism which they are conducting in Palestine.

In a matter of a couple of days, the enemies of Islam are being severely punished by Allah Ta'ala with Fires raging uncontrollably in response to the supplications of the Ummah.

Hamas has taken the war to America where hundreds of thousands of people are fleeing. Tens of thousands of buildings have been gutted. Misery upon misery is unfolding. It is like Hamas firing the best ever made hypersonic missiles. Americas THUD system and its nuclear arsenal have absolutely no response for this wonder weapon – the Raging Fire of ***HELL*** which Trump had threatened for Hamas. This ***HELL-FIRE*** has boomeranged on Trump and his league of Israeli murderers and genociders.

They have no response for this ***HELL-FIRE*** weapon which Allah Ta'ala has placed at the disposal of Hamas. Reporting on the latest progress of the ***HELL-FIRE***, BBC News states:

Out-of-control wildfires are ripping across parts of Los Angeles, leading to at least 10 deaths, burning down hundreds of buildings, and prompting evacuation orders for nearly 180,000 residents across the county.

Despite the efforts of thousands of firefighters, the biggest blazes remain totally uncontained - with weather conditions and the underlying impact of climate change expected to continue fanning the flames for days to come.

What's the latest?

In LA county, some 179,000 people are under evacuation orders - many of them fleeing their homes with just the belongings they could carry.

Another 200,000 residents are under evacuation warning, meaning they may need to leave their homes soon.

More than 10,000 buildings have been razed by the fires, which are the most destructive in the history of LA. A further 60,000 are also at risk. Insured losses are expected to be above \$8bn (£6.5bn) because of the high value of properties in the paths of the blazes.

There are at least five fires raging in the wider area, according to California fire officials on Thursday:

- **Palisades:** The first fire to erupt on Tuesday and the biggest in the region, which could become the most destructive fire in state history. It has scorched a sizable part of land, covering nearly 20,000 acres, including the upscale Pacific Palisades neighbourhood. It was 6% contained on Thursday night
- **Eaton:** It has struck the northern part of Los Angeles, blazing through cities such as Altadena. It's the second biggest fire in the area, burning nearly 14,000 acres. It is 0% contained
- **Hurst:** Located just north of San Fernando, it began burning on Tuesday night and has grown to 670 acres, though firefighters are beginning to contain it
- **Lidia:** It broke out on Wednesday afternoon in the mountainous Acton area north of Los Angeles and grew to cover almost 350 acres. Authorities say it has been 60% contained

Kenneth: This new fire broke out on Thursday on the border of Los Angeles and Ventura counties. It so far covers nearly 1,000 acres.

Allah Azza Wa Jal is incrementally inflicting His Punishment on the Yahood and Nasaara murderers of Muslims in Palestine. When He unleashes His Athaab nothing can counter it.

Multi millionaires and billionaires and celebrities have been forced to flee into the streets, Gaza style. The war has come to America.

“HELL HAS TRULY BROKEN LOOSE” FOR MR. TRUMP, THE YAHOOD AND NASAARA!!!
