

STRIKING BAATIL

"In reality, We (Allah) strike baatil (falsehood) with the Haq. It then smashes out the brains of baatil. And, lo, it (baatil) suddenly disappears."
(Qur'aan)

PAKISTAN A TARGET IN THE EVIL PLOT OF TRUMP

With reckless impunity has Trump's surrogate, Israel bombed seven Muslim countries without any response forthcoming from any one of the Rubbish Muslim countries. This disgraceful impotency displayed by these Rubbish states has furthered emboldened Trump who is the master dictating to his puppet Netanyahu to extend the tentacles of the master scheme of the U.S.A. – the objective of global hegemony.

The realization of the total impotency of all Middle Eastern countries is diverting the American focus now to Pakistan and Turkey. The plot envisages the neutralization of these two countries which are still considered to be a threat to the successful assertion of American power world-wide.

The nuclear facilities and the morale of Iran have been destroyed hence the deafening silence from that quarter. Now remains Pakistan and Turkey with Pakistan being the greater danger, hence the plot demands the destruction of Pakistan's nuclear facility and to render Pakistan subservient to the Cow and Idol Worshippers of the Hindu mushrikeen of India where cow dung and cow urine are the staple foods.

Although we understand that Pakistan is NAPAKISTAN (the Impure Land), it devolves on all Muslims to sincerely and fervently resort to DUA for Pakistan's victory in the event of being attacked by the U.S.A. using its Yahoodi swine puppets to initiate hostilities. It should be the Dua of the Ummah that Allah Ta'ala grants Pakistan the ability to inflict a shattering rebuff to the evil oppressors of US and Israel. There is no succour but Allah's Aid. Pakistan will be standing alone.

The fussiaaq/fujjar leadership of Pakistan need to resort to Taubah. They have to repent and seek Divine Aid to crush the evil plot of the Yahood and Nasaara. Nothing but Allah's aid can save Pakistan. The Qur'aan Majeed states: "There is no aid except from Allah, the Mighty, the Wise."

Allah Ta'ala commands: "Arrange your defences." It is hoped that Pakistan's armed forces are in the state of high alert. They should not be caught off their

guard. The signs of American aggression are on the wall. Dua is a powerful weapon. Despite the Ummah's current deplorable and noxious moral and Imaani state, Allah's aid will be forthcoming if the dua is fervent and sincere.

Bani Israaeel had languished under the cruel and brutal yoke of oppression of Fir'oun for many decades. Allah Ta'ala punished Bani Israeel (the Yahood) for their evil and treachery by placing them under the brutal domination of the Egyptian kuffaar.

Nevertheless, after they had accepted Nabi Musaa (Alayhis salaam), albeit lackadaisically, Allah Ta'ala eliminated the brutal regime of Fir'oun and emancipated Bani Israaeel from the yoke of Fir'oun's enslavement and oppression. Notwithstanding the ingratitude of this treacherous Yahoodi nation, Allah Ta'ala split the Red Sea to grant them safe passage to freedom. Referring to this episode, the Qur'aan says:

"We made those who were considered weak the inheritors of the Eastern and Western parts of the earth which We had blessed. Thus was the beautiful decree of your Rabb fulfilled for Bani Israaeel because of their patience, and We destroyed what Fir'oin and his nation did and built."

(Al A'raaf, Aayat 137)

Despite Bani Israaeel not having reformed completely, Allah Ta'ala sent His aid and He destroyed the oppressors. That they had not fully reformed is amply substantiated by the Aayat:

"We caused Bani Israaeel to cross the sea. (After crossing the sea) they came upon a nation worshipping idols. (Then their latent kufr within them constrained them to say): "O Musaa! Make for us a god (idol) such as their gods". Musaa said: "Indeed you are an ignorant nation. Indeed these people are destroyed in their (idol-worship) practice, and what they are doing is falsehood." (Al A'raaf, 138 and 139)

Despite such treachery and ingratitude immediately displayed after having been rescued from tyranny and oppression, Allah Ta'ala continued showering His favours on Bani Israaeel. Muslims should take lesson, repent and make earnest dua for Pakistan's victory in the event of being attacked by the western swines of brutality.

Pakistan appears to be the one and only, and the last Muslim bastion of defence against the evil, pernicious plots of Trump and his kind. In the final analysis it is the Will of Allah Ta'ala that will prevail. Nevertheless, our obligation is to resort to Dua. And, by Dua is not meant the ostentatious type of Qunoot performed congregationally in the Musjids. Desist from show. Supplicate in silence in your homes. Rasulullah (Sallallahu alayhi wasallam) said: ***"Dua is the essence of Ibaadat."***

O Allah! Bring upon them Your Punishment which will not be diverted from a nation of criminals (the Yahood and Nasaara). (End of the Dua)
