SWAMI-PUNDIT ARSHAD, A DISGRACE TO ISLAM

THE BASELESS EXCUSES DO NOT EXONERATE HIM!

Question

As salaam mo Alaikum wa Rahmatullah.

This communication to you follows an interaction with some friends and associates who have expressed annoyance and dissatisfaction with your castigation of Moulana Arshad Madani and the "harsh epithets" employed in the excoriation.

They further aver that the term AUM was misconstrued in the discourse and taken out of context. I drew their attention to a video clip on the internet where MoulanaMadani is seen being reverently cloaked with a Hindu saffron cloth and head covering by a Hindu priest at some function, and in exchange MoulanaMadani handed the Hindu priest a copy of the Noble Quran, translated in Hindi.

The aforementioned associates and friends responded by saying that in terms of the current volatile political situation and the very extreme anti-Muslim sentiment, the Moulana was simply exercising diplomacy and caution in the interaction with the Mushriks and perhaps didn't even expect the kind of reaction from the Hindu priests and perhaps taken off guard when they covered him with the saffron cloth.

Are their arguments valid?

ANSWER

A diplomacy which embraces *shirk and its artefacts* is satanic and haraam. The anti-Muslim sentiment which Rasulullah (Sallallahu alayhi wasallam) and the Sahaabah suffered was a million times worse. Its consequences were horrible acts of torture and killing by the mushrikeen. The type of satanic diplomacy exercised by Pundit Arshad opens the avenue for ultimate acceptance of Hindu shirk. Shaitaan is an exceedingly cunning plotter. He gradually leads one along the path of Jahannam by degrees. One act of evil leads to another until all Imaani inhibition to shirk and kufr is deracinated. In fact, he himself has become with Hindu shirk.

The saffron shawl and cap incident is not an isolated dalliance with shirk by this miserable molvi turned swami/pundit. He is a confirmed adherent of the kufr interfaith satanism. He enters Hindu temples without any qualms.

While your friends have focused on the method of our excoriation, they have deliberately, spitefully and stupidly feigned blindness by pretending not to be aware of the gravity and notoriety of the acts of shirk perpetrated by Swami/Mahatma Arshad.

Since he exuded pleasure when he was anointed by the mushrik Hindu pundit with the shawl and cap of shirk, he and his cronies such as your friends, should not take umbrage when he is rightfully slated and excoriated for his villainous dalliances with shirk and kufr. Our criticism and castigation should be taken in stride. It should jolt him into the realization of the villainy of shirk into which his satanic diplomacy has cast him.

Arshad is in his 80's. Maut is staring him right in the face, yet he remains satanically oblivious of Maut, Qabr and Qiyaamah. A man of 80, if he has any true understanding of Allah Ta'ala and of the objective of life on earth will not barter away his salvation in the Aakhirah by embracing the standard bearers of shirk and idolatry.

His bootlicking exercises which constrain him to elevate shirk and idolatry, will not dampen the anti-Muslim sentiment of the mushrikeen of India. The answer for anti-Muslim sentiment and its consequences is never

bootlicking Hindus and respecting their shirk and kufr practices and deities. The answer is to turn unto Allah Ta'ala with repentance, to reform and to fully submit to the Shariah and the Sunnah. Protection and honour cannot be gained from the mushrikeen whose plot is to exterminate all Muslims in India.

While Swami Arshad bootlicks Hindu priests, placating them with his satanic diplomacy which in turn induces him to commit shirk, the Qur'aan Majeed says:

“What! Do they seek honour from them (the mushrikeen)? Verily all honour belongs to only Allah.”

Swami-Mahatma-Pundit Arshad should resort to public Taubah. He should reflect on Maut and the Qabr. Then, Insha-Allah, his brains will open up and enable him to understand the gravity of dalliance with shirk and kufr. No amount of bootlicking the Hindu mushrikeen and honouring their religion of shirk will adequately appease them. Their stated satanic policy is the conversion of all Muslims into Hindu mushrikeen and all Muaajid into temples of idolatry. In this regard, the Qur'aan Majeed states:

“If you obey the kuffaar, they will turn you on your heels (to become mushrik), then you will become the losers.”
