# **THE HARAAM ‘CENTENARY’ CELEBRATION OF THE NNB CARTEL’S REVERENDS AND THE PUNDITS & SWAMIS OF INDIA’S JAMIATUL JUHAAL**

Two unholy characters, namely Reverend Abraham Bham of the NNB Cartel of Munaafiqeen, and Swami Mahatma Arshad Modi of India’s Jamiatul Juhhaal, lying together in their bed of ignominy, vice and bid’ah have organized a shaitaani function which they have dubbed ‘centenary’ celebration of a phantom body which never ever existed.

In dire need for some scraps of credibility, the Munaafiq Clique which had closed the Musaajid and abolished Jumuah and all the Fardh Salaat in the Musaajid, was in desperate need for some phantom to justify what they have deceptively and stupidly dubbed ‘centenary celebration’. Thus, these scoundrels latched on the laurels of the old Jamiatul Ulama Transvaal which had gone to the graveyard after the Ulama of Mia’s Farm had relinquished control. With the departure of the Mia’ Farm Ulama, the organization Jamiatul Ulama Transvaal founded by senior, extremely orthodox Ulama of the Sunnah, had effectively ceased to exist. It did not go into hibernation. It had died, never to be resurrected.

Now these louts – the reverends and the whole clique of *mudhilleen* of the NNB Cartel of Munaafiqeen & Juhala – have satanically latched on to the name of the extinct Jamiatul Ulama Transvaal to present a semblance of ‘reality’ for duping morons in the community. Only morons whose brains have been convoluted by shaitaani manipulation fail to understand and see the deception, evil and *nifaaq* of the Iblees-incarnate Reverend Abraham.

Since the scoundrels of the NNB Cartel are fully aware of the extremely low ebb of disgrace unto which they have degenerated, they looked around for support. Then their eyes fell on to a similar deviate who shares their kufr interfaith views. This chap is Swami Mahatma Arshad (alias Molvi Arshad Madani) who participates in Hindu shirk and kufr by attending services in the temples of the cow worshippers and drinkers of cow urine. In fact, just recently he was honoured by the cow worshippers with a saffron religious shawl with which the Hindu pundit/swami baptized Swami Arshad. He was also presented with a Hindu religious cap which he gleefully accepted.

Muslims should understand that in Islam there is no such function as a centenary celebration. The Sahaabah, Taabieen, Tab-e-Taabieen and the entire Ummah down Islam's long historical corridor of more than 13 centuries never ever even dreamt of centenary celebrations. It is a kuffaar concept. It is a shaitaani concept. There is absolutely no affinity between Islam and Ibleesi centenary celebrations.

It is a celebration of colossal waste of money, a function of *riya* and *takabbur*. It is a devil's merrymaking function where they eat, excrete and speak nonsense which they plaster with a 'deeni' veneer to deceive the morons who participate for the sake of merrymaking. There is nothing of true Islam in a haraam, kuffaar-type centenary celebration.

Centenary celebration is unheard of and unthought of in Islam, and true Islam is what had existed in the era of *Khairul Quroon* (the first three ages of Islam) ending with the Tabe Taabieen era. After this glorious epoch of *Khairul Quroon* there developed only *Simaanah* (obesity) and *Kizb* (falsehood), according to Rasulullah (Sallallahu alayhi wasallam). By describing post-Khairul Quroon developments as *Kizb*, our Nabi (Sallallahu alayhi wasallam) was predicting the rise of bid'ah and rubbish propagated in the name of Islam by *mudhilleen* molvis, both sincere and insincere. Even sincere molvis and sheikhs become *mudhilleen* (*misguiders*) as an effect of their short-sightedness.

Such practices and functions with 'deeni' hues were introduced after *Khairul Quroon* which have derailed the Ummah from the Straight and simple Path of the Sunnah. Even sincere, but short-sighted simple Ulama, were guilty of introducing 'deeni' appearing practices which had absolutely neither origin nor sanction in the Sunnah. All such practices, especially those introduced and organized by the insincere, satanic molvis come within the purview of the *Simaanah* stricture of Rasulullah (Sallallahu alayhi wasallam). Molvis seeking the dunya - money and fame – are the lovers of the 'obesity' castigated by Rasulullah (Sallallahu alayhi wasallam). They garrulously eat (*vreet*) like pigs and excrete like elephants while talking nonsense in the name of the Deen.

The first of the sincere Ulama who had perpetrated the colossal error of centenary celebration were the Ulama of our own Headquaretrs, Darul Uloom Deoband. It is

indeed sad and lamentable that Darul Uloom Deoband had veered sharply and destructively from Siraatul Mustqeem to commit the fatal act of self-immolation, namely the haraam centenary celebration in which millions of dollars were squandered while the Ummah all over the world was ablaze with miseries of a variety of kinds. Further compounding the haraam centenary celebration was a multiple of haraam acts.

The result of the haraam centenary celebration of that august Institution of Islam was that it split into two warring factions emitting the most horrible stench of mutual enmity, hatred, *hub-e-dunya* and *hub-e-jaah*. The Ulama degenerated to the extremely sub-shaitaani level of taking their disputes pertaining to money and property to the Hindu courts, each side pleading with mushrik, cow-worshipping Hindu judges to decree in their respective favour. These haraam court cases continued for two decades.

Now comes the 'centenary' merrymaking event of the South African reverends aided by the pundit/swami of India. There is only sin piled on sin in this haraam 'centenary' function ostensibly celebrating the existence of a hallucinated phantom organization - a body which never existed.

Allah Ta'ala has bestowed Muslims with the wonderful gift of *Aql*. This *Aql* must be employed to understand and to heed the Call of Allah Ta'ala – His Shariah. Muslims have not been created for haraam merrymaking. While these scoundrels of kufr and shirk are squandering huge amounts of money for their satanic party of *riya*, *takabbur* and *israaf* like devils, millions of unfortunate Muslims all over the world are suffering under the yoke of grinding poverty and colossal jahaalat which have deracinated their Imaan.

Muslims are supposed to utilize their *Aql* in the mirror of their Imaan to understand that the centenary celebration of the reverends, pundits and swamis has absolutely no relationship with Islam. The food they will serve is haraam. The huge amounts of money which are being satanically squandered are Lillaah funds, and haraam money contributed by scoundrel persons whose earnings are haraam. Everything, from A to Z, associated with the haraam centenary satanism is Haraam.

Islam came to extract mankind from the darkness of kufr, shirk and vice (*fisq* and *fujoor*). But these molvis who have metamorphosed into reverends and pundits are worse than *khanaazeer*.

***“Allah is the Friend of the Mu’mineen whom He extricates from darkness (taking them) to Noor (Light). And, the friends of the kuffaar are Taaghoot (Iblees) They (the devils) take them (their friends) out from the Noor (of Islam) into the darkness (of kufr, shirk, fisq and fujoor.) Indeed they are the Companions of the Fire wherein they shall dwell forever.”***

***(Al-Baqarah, Aayat 257)***
