DEVIL'S TEAM AND HARAAM SPORT "DEEN" TEAM'S SHAYTANI SOCCER TOURNAMENT

By QALAMUL HAQ

“The satanically dubbed ‘Deen’ team, who takes advice from Zubair Bayat (*the deviate of Darush Shaitan*), their chief *Mudhil* (*one who guides to Jahannam*), feel that they can invite youth for any haraam activity as long as it is super packed with a few advices along the way. It would not be farfetched for them to host a sheesha and Naseehah session in time to come (*and even a zina function painted with some ‘deeni’ sounding designation.*)

Their current haraam stunt is a soccer tournament for the ‘Deen’ of the youth. The spirit of Soccer tournaments is one of neglect and casting mankind away from his true objective (*the Aakhirah which is acquired by total submission to the Shariah*) by tricking him into being engrossed in a never-ending cycle of championships and hero worship, which in the end, leads him to nothing other than futile and haraam entertainment. In all truth, it is a massive ploy of Iblees. Regarding such entertainment Allah says:

“Among people is he who purchases lahwah hadith so that he misleads (others) from the Path of Allah without having any knowledge, and he takes it as a sport. Indeed for them (such as the deviates of Darush Shaitaan and Devil’s team) there is a disgraceful punishment.”
(*Surah Luqmaan*)

(*Lahwal Hadith refers to all kinds of sport and futility – The Majlis*)

While the above is referring to fables which had been purchased by the kuffaar to distract from *wahee*, it brings within its scope every haraam futility and entertainment which have the same effect.

The kuffaar of this age have merely reproduced and repackaged the fables of old in the forms of various entertainment avenues.

When such is a tool of the kuffaar which has been designed for such a loathsome purpose, how then can one promote such a culture under the guise of Deen? (*Deviates such as the Bhayat character, Reverend Bham Iblees, etc. suffer from the shaitaani brain disease called Takhabbutush Shaitaan, hence they are spiritually and morally blind, deaf and dumb. These agents of Iblees therefore promote satanism in the guise of 'deen'. They are the worst kufr scum with which the Muslim community is cursed. – The Majlis*)

The 'Deen' (DEVIL) team, like other modernists (*and deviates*), are in reality, beguiled by Shaytaan into thinking they are doing Islam a favour and that hidayah is in their hands. They also feel that they should go with the times and tweak Islam to fit into the modernist Muslim market to capture the youth. (*They are the kind of devils for whom Rasulullah (Sallallahu alayhi wasallam) had greater fear than for even Dajjaal – The Majlis*)

May Allah safeguard us from falling prey to these shayateen.”
(*End of Qalamul Haq's article*)

COMMENT

Darush Shaitaan (i.e. the so-called Darul Ihsan of Durban) which has spawned the Devil's Team, is a group consisting of human devils (*Shaateenul Ins*). The name and colours of the Deen are satanically manipulated by the Bhayat agent of Iblees in the pursuit of his nafsaani and worldly goals. Money and rotten fame are the goals of these deviates who brutally pillage and plunder the Shariah.

The day their souls are harshly extracted from their spiritually putrefied bodies, will their eyes open to see and understand all the satanic villainy which they had peddled in the name of the Deen.
