FOR THE YAHOOD PALESTINE IS A QUAGMIRE OF DOOM

THE MILITARY ARSENAL OF ISRAEL

- 170,000 Active troops
- Almost 500,000 Reservists
- 2,200 Tanks, each costing \$180 million
- 530 Artillery
- 350 Aircraft
- 180 Helicopters
- 50 Patrol and Coastal combat ships
- 5 Submarines

What are the forces of the Gaza Mujahideen?

A few hundred ill-equipped Mujahideen with AK rifles, RPG rockets some Bakkies and some very inferior type of rockets. Not a single aircraft. Not a single tank.

Despite this vast military inferiority of the Palestinians, it is purely by the Fadhl of Allah Ta'ala that the Israeli *khanaazeer* have been unable to stage their so-called 'imminent' land invasion. The incessant carpet

bombing for more than three weeks has not enabled the brutal Yahood to engage the Mujahideen in a land war.

This brutal war of the coward *khanaazeer*, hitherto has primarily been a massacre of civilians from the skies. The consequences of the very limited incursion with tanks has been the destruction of many tanks. The destruction of the tanks has baffled, perplexed and demoralized the Yahood, hence they are perpetuating the bombing from the safety of the skies. Describing these vile cowards, the Qur'aan Majeed states:

“Their combined forces cannot fight you, except from inside fortresses or from behind walls.”
(*Al-Hashar, Aayat 14*)

They sit in the refuge of their tanks and in their aircraft. They are unable to engage the Mujahideen on the ground. That is why their scheme is to first flatten and depopulate Gaza to ensure unopposed entry. If Gaza becomes depopulated in consequence of the murderous bombing, incorporating Gaza into Israel will then pose no problem.

May Allah Azza Wa Jal foil the conspiracies of the Yahood and Nasaara. May Allah Ta'ala grant His Nusrat to the Mujahideen. If Allah Ta'ala grants His Aid, the vast militaries and nuclear arsenals of the Yahood and Nasaara will become ineffective.

Harm and benefit, adversity and prosperity, success and failure, and defeat and victory are all by the Decree of Allah Azza Wa Jal. The Qur'aan and Ahaadith are replete with this theme. Everything runs its divinely prescribed course. Whatever will be the outcome of the war in Gaza will be the Decree of Allah Azza Wa Jal.
