GENOCIDE AND MASSACRE BY THE ISRAELI YAHOOD

***MORE THAT 500, MOSTLY CHILDREN, AND
HUNDREDS INJURED IN THE HOSPITAL
MASSACRE THOUSANDS BEING KILLED AND
WOUNDED IN THE ON-GOING MASSACRES***

Question

Muslims are shocked and appalled at the brutality of the Zionists who are relentlessly massacring thousands of Muslims in Palestine. There is no consideration for even babies who are murdered and massacred even in hospitals. The world is looking on impotently. What can Muslims do in this state of utter helplessness and hopelessness? Please comment in the light of the Qur'aan and Hadith.

Answer

Muslims can and must repent, becoming obedient slaves of Allah Ta'ala by submission to the Shariah, adopting Sabr and making Dua. They should abstain from bootlicking the kuffaar and attend to their moral reformation and spiritual elevation. They must follow the Sunnah as did the Sahaabah. This is the one and only solution for the suffering and humiliation of the Ummah.

There is no other remedy and there is much to say in the light of the Qur'aan and Hadith on this deplorable, appallingly miserable state of affairs – on the brutality and massacring by the Yahood *khanaazeer*. Since Muslims, the vast majority, are in attitude atheists, it is best that we let the Qur'aan and Hadith answer and

explain the heart-rendering conflagration which is demolishing and eliminating Palestine today.

It is absolutely necessary to understand that Allah Ta'ala exists; that Allah Ta'ala decrees; that Allah Ta'ala is in control, and that only He is the Orchestrator of all and everything down to the finest particle and to even the movement of an ant. Now let the Qur'aan and the Hadith speak. It is vital to understand that it is only Allah Azza Wa Jal Who has empowered the Yahood to execute *His Athaab*. This *Athaab* of Allah Azza Wa Jal will run its course. No one can prevent it.

Rasulullah (Sallallahu alayhi wasallam) has made the issue abundantly clear for the true Mu'mineen to understand. Our Nabi (Sallallahu alayhi wasallam) said that if the entire world unite to grant you benefit, only that degree of benefit decreed by Allah Ta'ala will be gained. And, if the entire world unite to cause us harm, then only that degree of harm decreed by Allah Ta'ala will be inflicted on us.

This message is comprehensible to only the Mu'mineen. The vast masses of atheists parading as Muslims cannot and will not understand the decrees of Allah Ta'ala. Their brains have been sealed by their atheism which they do not realize. About such atheists masquerading as Muslims, the Qur'aan Majeed says:

*“The vilest creatures by Allah are the deaf and dumb who are bereft of intelligence”
(Al-Anfaal, Aayat 22)*

These ‘vilest of creatures’ miserably fail to see and understand the Controlling Hand of Allah Azza Wa Jal because their brains are utterly deranged – deranged by the *Rijs (Filth)* with which Allah Ta'ala afflicts them.

“Thus does Allah afflict with RIJS those who are bereft of intelligence.”

The derangement of their brains is actually the consequence of their gross fisq, fujoor and kufr.

Informing us of the irrefutable fact that He is the Arbiter and that everything is by His Decree, Allah Ta'ala says:

“And not a leaf drops (from a tree), but He is aware. There is neither a seed in the darkness of the earth, not anything moist or dry, but it is recorded in a Clear Book.”

(Al-An'aam, Aayat 59)

“Not an atom in the earth nor in the sky nor anything smaller or bigger is hidden from your Rabb, but it is recorded in a Clear Book.”

(Yoonus, Aayat 61)

These verses as well as many other Aayaat and Ahaadith establish that whatever happens in creation is the decree of Allah Ta’ala. Nothing, nothing ever happens without the decree of Allah Azza Wa Jal. He is the only Creator and Ordainer. Thus, whatever calamity descends on us, our first obligation is to direct the focus to Allah Ta’ala, and to apply our minds diligently and corecty to understand the causes underlying His Decree of Athaab. The occurrence is inseparable from the Decree of Allah Ta’ala. But those whose brains are deranged with divinely inflicted *RIJS* are too deaf, dumb and stupid to understand.

Allah Ta’ala says in His glorious Qur’aan:

“When they forgot the *naseehat (of the Ambiya)* given to them, We opened for them the doors of all things (*comfort, pleasure, luxury, play and amusement*). Then when they rejoiced on account of the (prosperity and comforts) given to them (*and became oblivious*), We suddenly grabbed hold of them (*with Punishment*) and they were plunged in utter confusion. Thus, the roots of the oppressive (transgressing) nation were deracinated. And, all Praise is for Allah, Rabbul Aalameen.”

(Al-An’aam, Aayat 44 and 45)

“Say (O Muhammad to them): ‘What do you think if the Athaab of Allah comes suddenly to you or conspicuously (*without suddenness and while you are observing its imminent strike*)? Then only the oppressors (transgressors) will be destroyed (*the innocent ones will be saved*).’”

(Al-An’aam, Aayat 47)

“...Then We apprehended them (the transgressors). Then how (severe) was My apprehension (Punishment)?”

“Many were the towns which We have destroyed whilst they were oppressors (transgressors). Thus they lay (prostrate) on their roofs (i.e. utterly destroyed...)”

(Al-Hajj, 44 and 45)

“We demolished all of them (the transgressors).” (Al-Furqaan, Aayat 39)

“Then We utterly demolished the others (the transgressors). We sent torrential showers (of brimstone) on them. Indeed most destructive was the rain for those who had been warned.’ (Ash-Shu’raa, 173 & 174)

“Verily, We shall bring down on the people of this town a punishment from the sky because of the evil they used to perpetrate.”

(Al-Ankabut, Aayat 35)

“...An earthquake seized them. Then they lay prostrate (destroyed) in their homes.” (Al-Ankabut, Aayat 37)

“We seized each one of them on account of their sins. From among them (the transgressors who were destroyed) were those on whom We sent the violent wind (tornado/hurricane); among them were those whom the Shout (of an Angel) seized; among them were those whom the earth swallowed, and among them were those whom We drowned. Allah did not oppress them. But they oppressed themselves.” (Al-Ankabut, Aayat 40)

“Verily, Allah does not oppress to even an atom’s size.” (An-Nisaa’, Aayat 40)
(The Punishment and destruction are the consequences of people oppressing themselves).

“Indeed such is the apprehension of your Rabb when He grabs (with Athaab) a town (whether it be the towns of Aad, Thamud, Fir’aoun, Gaza, Kashmir, etc.) whilst they are oppressors (transgressors). Indeed, His Punishment is painful and severe. Verily, in this is a sign for those who fear the Athaab of the Akhirah.”
(Hood, Aayats 102 & 103)

The Punishment is actually invited by the people themselves. Thus, the Qur’aan Majeed states:

“Your Rabb will not destroy a town unjustly whilst its people are (in the process) of reforming.”
(Hood, Aayat 117)

This establishes that whatever is happening in Gaza, elsewhere and anywhere in the universe is by the Decree of Allah Ta’ala. Those who profess to be Muslims but deny this reality, should renew their Imaan if they are not among the Munaafiqeen.

The Qur’aan Majeed states:

“No one knows the armies of Allah except He.”
(Al-Muddath-thir, Aayat 31)

“And unto Allah belongs the armies of the heavens and the earth.”
(Al-Fath, Aayat 7)

Among the *Junood* (Armies) of Allah are also the kuffaar. Confirming this, the Qur’aan states:

“We informed Bani Israaeel in the Kitaab: ‘You will certainly cause anarchy (fitnah and fasaad) on earth twice, and most certainly you will perpetrate great strife. Then, when the first of the two Promises came, We sent against you such of Our servants who were powerful warmongers. Then they penetrated into (your) homes. Indeed it was a Promise fulfilled.”

(Bani Israaeel, Aayats 4 & 5)

“When the second Promise came (it was to permit the kuffaar) to disfigure your faces and to enter into the Musjid (Musjidul Aqsa) as they had entered the first time so that they could destroy everything they overran.”

(Bani Israaeel, Aayat 7)

Thus did Allah Ta’ala send his kuffaar servants (*Ibaadal lana*) to punish the Muslim Ummah of that era. The kuffaar ‘servants of Allah’ referred to in this Aayat was the army of the kaafir king Bukht Nassar. They utterly demolished Jerusalem. They caused greater destruction to Jerusalem than the destruction today in progress in Gaza by the Yahood. 70,000 Yahoodi Muslims were enchained and marched off to Babylon where they remained in slavery for decades. Hadhrat Nabi Daaniyaal (Alayhis salaam) was also among them.

To punish Muslims for their flagrant vice and kufr Allah Ta’ala had handed Musjidul Aqsa seven times to the Kuffaar. There is no surprise if once again Musjidul Aqsa officially becomes the property of the Yahood. In fact it is already in the control of the Yahood.

These kuffaar ‘servants of Allah’ penetrated the homes of Bani Israaeel, plundering, pillaging and raping. They defiled Musjidul Aqsa and laid it to waste. Allah Ta’ala allowed all of this. It was His Decree. The decreed Athaab had to run its pre-ordained course. And so will it be with the Athaab today in Gaza.

And what about the murder of hundreds of babies in a single bomb strike. Is that also part of the Athaab? Most certainly it is. Confirming this, the Qur’aan Majeed states:

“(Remember) when We saved you from the people of Fir’oun who inflicted on you a horrific punishment. They slaughtered your sons and left alive your daughters. Indeed in this was **a great trial for you from your Rabb.**”

(Al-Baqarah, Aayat 49)

This very same Aayat is repeated several times in the Qur’aan Majeed. In every one of these Verses, Allah Ta’ala reminds Bani Israaeel that *the slaughtering of their babies was a great trial from Allah*. And today it is likewise a great trial for the Palestinians to witness the killing of their babies by the Yahoodi segment of *Junoodullah* (Armies of Allah).

Rasulullah (Sallallahu alayhi wasallam) said:

“You should most certainly command virtue and prohibit evil (Amr bil Ma’roof Nahy Anil Munkar). If you do not do so, then most certainly Allah will impose on you the vilest of you (as rulers). Then they will inflict on you horrific punishment. At that juncture your buzrugs will make dua, but their duas will not be accepted.”

In another narration, Rasulullah (Sallallahu alayhi wasallam) said:

“Resort to *Amr Bil Ma’roof Nahy Anil Munkar*, otherwise Allah will appoint over you (such cruel tyrants) who will have no mercy on your little ones and no respect for your elders.”

This is the current scenario in Gaza, in India, in Kashmir and elsewhere. It is all by the decree of Allah Ta’ala. It is the consequence of the fisq, fujoor and kufr of the Ummah.

Riling and raving against the Yahood, bootlicking the UN, appealing to the kuffaar priests in interfaith displays will not help. The *Athaab* will run its course. As long as Muslims do not understand the causes for the *Athaab*, they will of course remain bootlickers of such kuffaar who display some type of sympathy and they will continue insanelly with the adoption of the haraam ways and styles of the kuffaar in their stupid and foolish idea of averting the *Athaab* of Allah Ta’ala.

Rasulullah (Sallallahu alayhi wasallam) mentioned that when we are caught in the Vortex of the *Athaab*, our Buzrugs (*Khiyaarukum*, i.e. *your most pious ones*) will make dua and recite wazeefas and call on people to recite thousands of Durood, Qunoot, Khatam of the Qur’aan Majeed, Khatam of Bukhari Shareef and many other forms of wazeefahs. But all will be in vain. Nothing will impede the progress of the *Athaab*. It must run its divinely decreed course.

“Most certainly, We shall give them to taste from the lesser Athaab, not the greater Athaab for perhaps they may (repent and) return (to Siraatul Mustaqeem).”

Who is a greater oppressor than the one who turns away (ignores) the signs of his Rabb when these are rehearsed to him? Most certainly We shall extract revenge from the criminals. (i.e. inflict the severest punishment on them).”
(As-Sajdah, Aayats 21 & 22)
