INTERFAITH KUFR – MUFTI TAQI IS A MUDHIL – A DEVIATE WHO MISLEADS THE IGNORANT

The following are the observations of *Qalamaul Haq*:

MUFTI TAQI MEETING WITH AL-ISA, THE INTERFAITHER

Mufti Taqi has, for a while now, been at the forefront of the justification bandwagon of modernists. Mufti Taqi and his views are taken as Wahee.

His photography view was abused to such an extent that even he had to backtrack and say things have been taken too far with the masaajid and haramain also becoming photo and video hot spots

His fatwa on the need for a mechanism of Islamic finance that would push finance in an islamic direction has been abused by all and sundry to push Muslims to take out haraam interest deals with a mere mask of islamic concept.

Now he is following the trajectory of the rest of the modernists and the liberal agents by entering the domain of interfaith through his companionship with United nations agents of interfaith.

Mufti Taqi Uthmaani is not a God, nor does his views constitute any form of proof of shariah. On the contrary his dicey views have become a door of evil for the Ummah and a justification for those that are destined to follow the path of the Bani israeel.

Where the mud is thick the elephant also slips. Our Deen and its spirit is based on the Quran and Sunnah as understood and practiced by the Sahabah Radiallahu anhum, not the Liberal Jones's of this era.

The Messenger of Allāh (Sall Allāhu ‘alayhi wa sallam) said:

“Some people open the doors to good and close the doors to evil, and some people open the doors to evil and close the doors to good, so glad tidings to those in whose hands Allāh (subḥānahu wa ta’ālā) places the keys to good, and woe to those in whose hands Allāh (subḥānahu wa ta’ālā) places the keys to evil (Ibn majah)

(End of Qalamul Haq’s article)

The primary cause for the deviation and deplorable Imaani condition of the Ummah is the deviance of its Ulama. That is why Rasulullah (Sallallahu alayhi wasallam) has so vehemently condemned the ulama-e-soo’. Instead of guiding Muslims, they pave the path of Jahannam.

Among the worst members of the fraternity of ulama-e-soo’ of this era is Mufti Taqi. He manipulates the Deen for base and despicable worldly and *nafsaanai* objectives. This deplorable state of affairs has been predicted by Rasulullah (Sallallahu alayhi wasallam). As lamentable as it may be, it is a reality which has to transpire.

Hizbush Shaitaan (the Army of Iblees) is an integral structure of the dunya. We have to live with it and combat this evil army of the Devil. Instead of involving himself in the primary obligation of *Amr Bil Ma’roof Nahy Anil Munkir*, this deviate Mufti lustfully frolics with kuffaar capitalist riba bankers, interfaithers and the like. Castigating these evil molvis, muftis and fake buzrugs, the Qur’aan Majeed states:

“Why do their Ulama and their Buzrugs not prevent them (the masses) from sinful statements and from consuming haraam? Indeed vile is it that they perpetrate.”
