5 Sha'baan 1445 – 16 February 2024

IT IS HARAAM TO ATTEND THE JUMUAH SALAAT OF THE GRAVE-WORSHIPPERS

THE KUFR OF THEIR INVITATION TO THE NON-MUSLIM POLITICIAN TO ATTEND AND PARTICIPATE IN THE JUMUAH PROCEEDINGS

In their miserable bootlicking advert, the Qabar Pujaaris of Durban say: "United for Palestine on Behalf of Palestinian Solidarity in Durban and the Hazrath Soofie Saaheb Darbaar Riverside is pleased to invite you for Salaatul Jumma at the Riverside Soofie Musjid on Friday 16th February 2024. The Deputy President of South Africa the Hon Mr Paul Mashatile will deliver a special message on Palestinian Solidarity on behalf of the South African Government.

Your attendance and support will be most appreciated to advance the cause of Palestinian Solidarity and demonstrate gratitude to the Ruling Party for their Stance in supporting the Palestinian cause."

(End of the statement of the Qabar Pujaaris)

Qabar Puja (Grave-Worship) is worse than devouring interest. Interest, according to the Qur'aan Majeed, is the consequence of the malady of

mental derangement caused by Iblees. This mental disease is termed Qur'aanically *Takhabbutush Shaitaan.*

The disease of *Takhabbutush Shaitaan* caused by acts of grave-worship, shirk and kufr for which these Barelwi moron Qabar Pujaaris are notorious, are worse than devouring interest which according to the Hadith is *"worse than committing zina with one's own mother in the Ka'bah Shareef."* That is why these Qabar Puja juhala have invited the non-Muslim deputy president who is a man of constant *janaabat* and *najaasat*, both *hukmi* and *haqeeqi*, to the Musjid.

But people who worship graves cannot be expected to distinguish between Imaan and Kufr, Tahaarat and Najaasat. Perhaps they perform Salaat without wudhu and perhaps they wallow in the state of janaabat just as the honourable deputy president since they are birds of a feather. It is not far-fetched for Qabar Pujaaris to have no real or valid Shar'i conception of *Tahaarat*. They are just like the MJC murtaddeen and zanaadaqah who have no valid conception of Imaan.

Although the MJC zanaadaqah are the opposite of the Barelwi Qabar Pujaaris, both groups are nevertheless unanimous in the Shar'i concept of KUFR. That is why both groups have scant concern for Shar'i *Tahaarat*. They are at home with janaabat, carrion, pork and acts of grave-worship.

Muslims should understand that Salaat behind the Qabar Pujaari juhala at their 'soofie darbar mosque' will not be valid. Therefore, non-Qabar Pujaaris who may happen to be in the vicinity, should ensure that they perform Jumuah Salaat elsewhere.

The Palestinian Muslims are not in need of hollow and stupid 'solidarity' slogans, marches and speeches. They are in need firstly of *Islaah of the Nafs* (moral reformation), *Roohaaniyat* (spiritual stamina) and anti-aircraft weaponry to clear the skies from the Yahoodi filth which the entire world is supporting and condoning.

All those who engage in stupid 'solidarity' noises and monkey shows, are, without exception, morons and hypocrites. When Bani Israaeel was being oppressed, persecuted and slaughtered by Fir'aoun, they complained to Nabi Musaa (Alayhis salaam). Hadhrat Musaa (Alayhis salaam) did not proffer any of the miserable, stupid, hypocritical and satanic methods in vogue today – clamours and slogans full of sound and

fury signifying nil. What advice did he offer to his oppressed people? Hadhrat Musa (Alayhis salaam) said:

"Seek aid from Allah and with Sabr. Verily the earth belongs to Allah. He bestows it to whomever He wills from His servants. and, the ultimate victory is for the Muttaaqeen."

Victory is not for grave-worshippers, not for zanaadaqah, not for modernists, not for munaafiqeen, not for the murtaddeen. It is for the Muttaqeen. Therefore the Palestinians need to become Muttaqeen. Then will arrive the Nusrat of Allah Ta'ala.

"There is no aid, but from Allah, The Mighty The Wise."
(Qur'aan)

"And if He abandons you, then who is there besides Him to help you?"

America's puppet, the UN, all the Munaafiq 'Muslim' states, the entire world, and Mr. Deputy President with his solidarity talk cannot prevent the Athaab of Allah Ta'ala which has deracinated the Palestinian segment of the Ummah. The Athaab will run its divinely prescribed cause.
