# **MINARA CHAMBER OF COMMERCE – A HARAAM BODY WITH A HARAAM 'MUFTI' ISSUING LICENSES FOR ITS HARAAM PRODUCTS**

The following is a verbatim reproduction of a letter by Brother Ahmed Elias of Durban to the Islamically illegitimate entity, *Minara Chamber of Commerce*:

Asalaamualaikum Waramatulaahi Wabarakatu  
Directors at Minara Board,

Perusing through your 2023 Business Awards brochure one finds that a multitude of laws of Islam are violated.

Haram photography - In the Bukhaari Shareef Hadith it is stated that the most severely punished people on Qiyaamah will be those who indulge in photography. Surely Mufti Ismail Desai CEO of Global Islamic Financial Services is aware of this. Intermingling of sexes and gender equality is promoted by the Minara Board. The Qur'aan Majeed commands that women must resolutely remain in their homes. They can only emerge in dire necessity and must be clad in unattractive attire. It is not permissible for Muslim women to be in the workplace rubbing shoulders with every Faasiq Tom ,Dick and Harry. Everything of a female is a stepping stone to Zina ie. her beauty ,her voice ,her garments and even her walk.

Mrs.Fawzia Peer ,vice Chairman of the Minara Board should hang her head in shame. It is a betrayal of Allah Ta'ala and Nabi salallahu alayhi wasallam, when she gorges out her bunkum about gender balance, equality, equity , equal opportunities etc.

The idea that Muslims consider men and women as equal has absolutely no basis in the Qur'aan and Sunnah. This unnatural kind of equality propogated by Muslim modernists is totally foreign to the Patriarchal system of the Qur'aan.

Minister Ebrahim Patel expresses his delight that Safda (Saudi food and drug authority ) has approved meat and red meat products to be exported from South Africa.

The Kuffaar Halaal meats are a mockery of Islam. Commercial meats, eggs and dairy plants operate under a capitalist system, not the Shariah.

Consequently the only important component is money, not animal welfare or our health. Under the Shariah the animals have rights. The method of slaughtering at all Kuffaar and Muslim abattoirs is against the Sunnah practice. It is a brutal stunning system where the animals are tortured. All the so called Halaal certifying bodies are the evil illegitimate progeny of Satan.

By what stretch of logic and understanding are the following Haraam practices perpetrated on animals 'humane' as claimed by the carrion halaalizing gangs ?

Shooting a metal bolt into the skulls of bulls and cows.

Administrating electric shocks to sheep and chickens.

Hanging animals upsidedown on conveyer belts and killing them whilst they are moving.

Keeping fully grown chickens in miserable A4 size cages for their short lifespan.

These gangs of certifiers will not escape the La'nat and Athaab of Allah Ta'ala.

Therefore the Minara Chamber of Commerce must steer clear of this Haraam meat/beef and chicken industry. The Halaal standards in S.Africa are a farce.

It is improper to export Haraam carrion to Saudi Arabia.

Lastly ,the Minara Board must reflect on the fate of the Muslim communities in Burma, Syria, Bosnia, Iraq, Libya, Afghanistan and now Palestine.

There is no exemption for a rebellious community consisting of molvies, sheikhs, muftis and modernist Muslims who trample on the pristine Deen of Islam. The Deen of Allah Ta'ala is not for sale for a few coppers or for name and fame.

May Allah Ta'ala guide this reckless and errant community. Aameen.

JazakAllah,

A.Elias.
