ABSA RIBA BANK

ABUSE AND MOCKERY OF THE DEEN BY THE SCHOLARS FOR DOLLARS

Among the Signs of Qiyaamah stated by Rasulullah (Sallallahu alayhi wasallam) is the pursuit of the dunya – worldly and nafsani objectives – with the deeds (of ibaadat) of the Akhirat.

Salaat, Hajj, Umrah, etc. are acts of pure Ibaadat performed for the sake of the Pleasure of Allah Ta'ala. But today Ibaadat is being advertised by the Riba Absa Bank. Ignorant Muslims are being lured by the bank to indulge in Riba. The chimera of winning Umrah trips is being dangled in front of the ignorant public to entice them to open accounts in the Riba Bank.

Understand well that it is haraam to open a banking account merely for gaining money and prizes. Only if circumstances constrain, may one open a banking account. Do not be fooled by 'Shariah compliant banking' advertised by the rascal ulama-e-soo'.

Scholars for dollars, the evil molvis who have sold their Imaan for a pittance which the bank pays them from its haraam riba funds, have halaalized the bank's riba dealings which they dub 'Islamic banking'.

Do not be duped by these munaafiq, zindeeq scholars for dollars. Their fatwas are scrap and rubbish. Just look at the gross misuse of the Ka'bah's picture used to advertise the products of the kuffaar, capitalist riba bank which these

miserable molvis have halaalized. These molvis are nourishing their bodies and their families with haraam, hence halaalization of haraam has become their profession.

Just imagine the villainy of winning Umrah trips being prizes doled out by a Riba bank. How can a sincere Muslim go for Umrah with the haraam riba money of a riba bank? Only a person whose Imaan has become emaciated of all goodness will not suffer pangs of conscience for an umrah trip with the riba money of a kaafir bank.

These shaitaani molvis have bartered away their Imaan for the miserable riba boodle the bank pays them for their fatwas of *jawaaz* (permissibility) for its riba products which are satanically described ‘Compliant with the Shariah’.
