MR. RAMAPHOSA IS OUT OF TOUCH WITH REALITY *A VICTIM OF THE NNB CARTEL'S DECEPTION*

In his congratulatory letter to the NNB Cartel of Juhala (the so-called Jamiatul Ulama South Africa) on the occasion of its mock, merrymaking 'centenary', the president has displayed gross lack of awareness of the affairs of the Muslim community. It is abundantly clear from Mr. Ramaphosa's statements that he was deceived by the falsehood fed to him by Reverend Abraham Bham and his cronies of the NNB Juhala and Munaafiqeen.

It will be salubrious for the president to understand that:

(1) The so-called Jusa does not have an existence of a century. Mr. Ramaphosa states in his letter:

"I extend my congratulations to the Jamiatul Ulama South Africa as it marks its 100 years since its establishment."

On what did you, Mr. President, base your understanding that this Jusa is 100 years old? Who has fed you this falsehood? The entity you are congratulating has a miserable short history of less than two decades. Jusa was NEVER established a century ago as the president has been given to understand by Reverend Bham.

(2) *“The Interfaith umbrella”*

While Reverend Abraham Bham and his Jusa cartel are involved in the ‘interfaith umbrella’, the Muslim community being the adherent of Islam, is not a party to the interfaith movement. For the edification of Mr. Ramaphosa, the Holy Qur’aan recognizes only Islam as being the Absolute Truth. All other religions and ideologies are falsehood. Islam is the sole repository of eternal salvation in the Hereafter. This is the cardinal doctrine of Islam in which all Muslims believe.

Since Reverend Abraham Bham has rejected this fundamental doctrine of Islam in order to participate in the interfaith movement, he is no longer a Muslim. Thus the Jusa which Mr. Ramaphosa has congratulated is not part of Islam. He is a renegade who stands excommunicated from the fold of Islam.

Muslims do not dilute their beliefs by compromising the doctrines and tenets of Islam. It is therefore untenable for a true Muslim to find succour in the interfaith umbrella. According to the Qur’aan we say: *“Unto you is your faith and unto us is our Faith.”*

Coexistence and harmony are not reliant on dilution of religious doctrines and tenets. Thus, the interfaith ideology is rejected by Islam and the Muslim community.

We advise the president to ensure that he gains a proper understanding of the Muslim community of South Africa. It is abundantly clear that the president has been misinformed. But he cannot be excused for having becoming a victim to the misinformation. The following statement of the president clarifies the conundrum of his acceptance of the misinformation fed to him by the Reverend Bham:

(3) *“We are grateful to the Jamiatul Ulama South Africa for the support it lent to the national effort to combat the COVID-19 pandemic in 2020, as well as to the wider programme of economic reconstruction and recovery.”*

Mr. Ramaphosa should understand that it was precisely for the Reverend’s support for the COVID satanism that he (Bham) has become loathsome in the Muslim community. The issue of Covid has been explained and discussed by us and numerous others, Muslims and non-Muslims, in hundreds of pages of articles and booklets. The president surely is not unaware of the stance of the Muslim community in this regard.

Mr. Ramaphosa must understand that in relation to the Muslim community, Jusa stands out on a limb. Reverend Bham and his Jusa do not represent the Muslim

community. He has no mandate to represent and to speak for the Muslim community. It is of utmost importance that the president understands this irrefutable fact.

The president and the government will be committing a grievous error and injustice to regard Jusa as being the representative of the Muslim community. It is clear that Mr.Ramaphosa has lapsed into the same grievous error as did the previous Apartheid government.

The Apartheid government had established its Tricameral system. One portion of this trinity was supposed to represent the Indian community. When the then government could not find true representatives of the Indian community to serve in the Tricameral system, it had no option but to handpick puppets who had no mandate from the community. Thus, the then government appointed its own puppets to represent the Indian community.

Today Mr.Ramaphosa has emulated the Apartheid government by selecting puppets from the Muslim community, then appointing these puppets to be the representatives of Muslims.

Since the Reverend Bham and his cronies bootlick whatever the government's ideology and programs are, they (the puppets) are promoted to the position of 'leadership' of the Muslim community when in reality they are loathsome and rejected by Islam and its adherents.

It is essential for Mr.Ramaphosa and the government as a whole to educate themselves regarding the affairs of the Muslim community. It is essential to ascertain who exactly are the representatives of the Muslim community. For the present it will be wise for Mr.Ramaphosa to understand that there is no single entity in South Africa who can claim to represent the Muslim community.

The Muslim community consists of a conglomerate of sects. There is no umbrella body to represent the numerous sects of the Muslim community. The claim by Reverend Abraham Bham that the phantom entity, UUCSA, is the umbrella body representing the Muslim community, is a dastardly LIE.
