SANHA'S MASSIVE CARRION CORRUPTION 100% HARAAM CARRION CHICKENS

In entirety bereft of any Shar'i daleel to bolster its 100% HARAAM CARRION CHICKEN operation, SANHA, like a drowning man clutching at straws, has resorted to flaunting the names of some senior Ulama who had by crook and pressure visited Rainbow's carrion chicken killing plant some decades ago. With this stupidity, the SANHA carrion cartel, is desperately endeavouring to pull wool over the eyes of ignorant and unwary Muslims. The scheme is to detract the minds from the Shariah – from the Qur'aan and Sunnah – and by stealth and deceit to obfuscate and mislead Muslims.

The names of some senior Ulama who had visited the carrion plant have been introduced as a red herring to divert the minds from focusing on the Shariah. The Shariah is the criterion, not the Ulama who have grossly and massively erred in their opinion.

Blinded and duped by their carrion-halaalizing host (the then Jamiatul Ulama Natal), the Ulama, without applying their minds and without understanding the satanic trap made comments in Rainbow's Carrion register. Now after forty years when all those seniors are in their graves, the SANHA *Khintheer* digs up their bones as 'daleel' for its satanic halaalization of carrion.

Muslims should understand that the erroneous comments of the Ulama – the gaffes they had committed do not override the Shariah. Islam is not based on the errors and blunders of Ulama regardless of the seniority of the Ulama. The Shariah

is the glittering Law of Allah Azza Wa Jal and it is presented with the greatest clarity in the Qur'aan and Sunnah. It is kufr to present as daleel such views of the Ulama which are in conflict with the Shariah. Their views never abrogate anything of the Shariah.

It was the satanic practice of Bani Israaeel to elevate their Ulama to the status of *arbaab* (gods) to gain fulfilment for their nafsaani and worldly objectives – monetary gain, name, fame and haraam issues. Severely castigating Bani Israaeel for their kufr of appointing their ulama and buzrugs as *arbaab*, the Qur'aan Majeed says:

“They take their rabbis (molvis) and ahbaar (buzrugs) as arbaab (gods) besides Allah, as well as Maseeh, the son of Maryam.”
(At-Taubah, Aayat 31)

When this Aayat was revealed, Hadhrat Adi Bin Haatim (Radhiyallahu anhu) who was previously a Nasaara, enquiring about the meaning of the Aayat said: *“We never worshipped the ahbaar and the ruhbaan.”* Rasulullah (Sallallahu alayhi wasallam) said: *“Was it not so that whatever they used to make haraam, you used to accept it as haraam, and whatever they used to say is halaal, you would accept as halaal?”* Hadhrat Adi (Radhiyallahu anhu) confirmed this. Rasulullah (Sallallahu alayhi wasallam) said: *“That is worship.”* That is taking them for gods and worshipping them.

It is abundantly clear from this Qur'aanic Verse that the order is for Muslims to utilize their *Aql* – their brains, and not to make their brains the subject and serf of their base *nafs*. Most issues of the Deen are simple and readily understandable to all laymen. There is no need for the fataawa of the Ulama to understand simple issues. Pork, wine and interest are haraam. Fatwa of the Ulama is not a requisite for comprehending such clear and simple issues. Thus, even if the whole world full of molvis and sheikhs issue the fatwa that the so-called 'islamic' banking is compliant with the Shariah, then the *Aql* and Heart of the Mu'min revolt against such a corrupt fatwa.

In the same way, if all the Ulama say that Rainbow's chickens are halaal despite the fact that there is a mountain of conclusive evidence that the ***Tasmiyah*** is not recited on millions of chickens, then it is only a Satanist who will proclaim the carrion halaal and consume the filth which is not fit for dogs.

Therefore, do not be awed by the names proffered by the SANHA Iblees. Besides the Tasmiyah issue there is an abundant of other haraam acts which aggravate the *hurmat* of the carrion chickens. Insha-Allah, we shall, in a series of articles, elaborate on this devil's killing system and the carrion it produces – carrion which the SANHA Shaitaan halaalizes.

**RAINBOW AND ALL COMMERCIALY KILLED CHICKENS ARE
100% HARAAM**
