THEY COLLECT KUFFAAR LITTER BECAUSE THEY ARE THEMSELVES LITTER AND SCUM

A Sister from the UK lamenting the evil action of Muslim women in the UK, says:

AssalamuAlaikum

In the UK the council/local government in each area has become clever in their shunning of responsibilities. Instead of using the money they tax us with, they arrange things like community litter picking, so in the last few years I saw Muslim women were picking litter and then it would be posted online: *'Look at the great job so and so have done.'* It didn't feel right.

But now we see apas alongside other Muslim females are also doing this litter picking. The photos of litter are alcohol bottles and needles. Should they be picking all of this? The Muslim men are congratulating them. To me it feels like firstly, why degrade our mothers and sisters like this to pick up the litter of kuffar alongside the other litter? If they think it's such an amazing thing they've done, why don't the men do it themselves? Shouldn't they be demanding the council to pay their staff and do a better job?

It seems so degrading to hear and see niqabis are doing this. Perhaps they think of the hadith of moving an obstacle but they're picking bottles after bottles of empty alcohol bottles and harmful needles too.

We see Muslim women stacking shelves in supermarkets and taking the security tag off from alcohol. Maybe some women are forced into work as people don't support single mothers and women here, everyone is for himself with buying multiple properties and no

true concern for the neighbour. But not every Muslim female is needy. But then this litter picking takes it to a whole new level. They aren't being paid.

I just feel like Allah Ta'ala made Muslim women honourable and we've just degraded ourselves. Why aren't the Kuffaar doing all the litter picking of alcohol bottles? Instead apas are going week after week. *(End of letter)*

These lesbian type of women are degrading themselves. They collect kuffaar litter and kuffaar filth because they (these miserable apas) themselves are litter and rubbish. That is why their brains gravitate to kuffaar litter and kuffaar filth.

The 'niqaabs' of the apas are satanic fronts to mislead and deceive Muslims – to trick them into believing that they (the apas) are 'pious' when in reality they are akin to *zaaniyaat*. Only such women who have the tendencies of lesbians and prostitutes will humiliate themselves to this extremely low level of moral degradation.

When even the most pious Ladies of the era of the Sahaabah, including the noble Wives of Rasulullah (Sallallahu alayhi wasallam) were banned from emerging from their homes to attend the Musjid, what verdict should be issued against these moron, lewd, lesbian-type females who profess to be Muslims?

Any one of these evil litter-collecting aunts who presents any Hadith to justify their haraam litter-collecting shenanigans, is an evil witch who fabricates lies on Rasulullah (Sallallahu alayhi wasallam).

The men who permit their womenfolk to degrade themselves so obscenely are *dayyooth* or worse – they are *khanaazeer* bereft of every vestige of *ghayrat* (*honour*).

This is *Aakhiruz Zamaan* (the end of earthly ages). The Chapter of Qiyaamah has already begun. Female denudation and zina are on the rise. What is happening in UK and all over the world regarding female lewd exhibition, is among the Signs of Qiyaamah predicted by Rasulullah (Sallallahu alayhi wasallam).

For a certitude, the litter-collecting so-called apas and niqaabis are not genuine Muslims. It is not possible for true Muslim women to denude themselves in public and display themselves like shameless swines. When Allah Ta'ala has commanded that "*women should remain glued within their homes*", and when they are not permitted into the public domain for even Salaat, how can it ever be permissible for them to collect the wine bottles and excreta of kuffaar so brazenly in full view of kuffaar, fujjaar, fussaqa and shayaateen of a variety of hues?
