ULAMA-E-SOO' – “THE WORST SCUM UNDER THE CANOPY OF THE SKY”

A Maulana from UK writes:

“In UK free mixing of the sexes has become rampant. In a previous article of the Majlis a brother had mentioned regarding Mufti Muhammed ibn Adam and Doctor Mufti Mangera who are involved in free mixing.

However, this evil has already entered and contaminated the Masaajid. In places like Leicester men and women gather in some well known Masaajid, like Masjid Umar and Masjid Muadh Ibn Jabal. This free mixing in the Masjid does not happen at Salaah time but these meetings happen during the day in the prayer area. Men and women sit in chairs next to each other or in a circle facing each other. Its no secret as these photos are proudly displayed and advertised on websites as a way to promote some programmes, activities, and sub-organisations that use the Musjid for their own personal gains and agenda.

Some imaams have their own side establishments, and sometimes they use the Masjid prayer area as the venue.

It is such a shame that these Masaajid have been built with so much money to beautify them, with the donations of thousands of people who thought it would be used according to the teachings of Islam. Instead, they are being turned into

the houses of sin and fitnah. How long before women start demanding to be the imaam? Or demanding to pray side by side with men?

Israel is destroying mosques physically, and our imaams and many of our ulama are destroying them spiritually. We are in the *zamana* in which open zina of the eyes, ears, and possibly the mind is taking place in the Masjid.”

(End of letter)

Soon the current zina-mixing will happen in Salaat. Shaitaan entangles people in his snare by degrees. The process of erosion of Imaan is by gradual degrees. The physical demolition and destruction of Musaajid as is happening in Israel is in the aftermath of the pollution of the Musaajid by Muslims.

When Muslims pollute and defile the Musaajid with haraam, then the Musaaaid invoke the *La'nat* of Allah Azza Wa Jal on the vile perpetrators of the defilement. Allah Ta'ala then dispatches kuffaar to demolish, defile and destroy the Musaajid – the Musaajid which Muslims themselves have destroyed.

It is therefore unintelligent, in fact it borders on kufr, to blame others for destroying our Musaajid when in reality it is Allah Azza Wa Jal Who decrees such destruction as a form of punishment for the gross and flagrant transgressions of Muslims.

The Molvis today are the worst, treacherous scum “under the canopy of the sky”. They are rotten to the core. They are the originators of the fitnah and faaad which have enveloped this disgraced Ummah. Whilst the Ship of the Ummah is ablaze and sinking, these obese, gluttonous molvis leech on the community for money. They pursue vile worldly goals which they plaster with some ‘deeni’ veneer to deceive and hoodwink the moron masses.

The intermingling of sexes now taking place in the Musaajid are the stepping stones for actual zina yet to be perpetrated in the Musjid environs. While the Qur'aan Majeed commands: “*Do not approach near to zina*”, molvis and sheikhs are preparing the Musaajid for the commission of zina. They no longer have any shame, hence they are able to so flagrantly and ruthlessly violate the Shariah and debunk Qur'aanic prohibitions right inside the Musaajid. The writing of destruction is already on the wall.

There will be replicas of Gazza. May Allah Ta'ala save us all.
