A BROTHER'S ADVICE FOR THE MUNAAFIQEN OF RADIO SHAITAAN

We reproduce hereunder verbatim the advice a Brother has for the *Shayaateenul ins* (human devils) and Munaafiqeen of Radio Shaitaan. The advice is adequate. There is no need for us to comment.

Assalamualaikum Wa Rahmatullahi Wa Barakatuh Respected Mufti Saheb

A poster has been circulating where Radio Shaitaan have been advertising a programme honouring respected Mufti Muhammed Desai RA.

Please can Mufti Saheb advise, our pain is

Briefly Mufti Muhammad Desai Saheb RA served at the Darul Uloom in Azaadville in the Ifta department and thereafter established Deeni efforts and Darul Ifta services in Pitermaritzburg. (<https://fataawa.co.za/>)

Mufti Saheb RA has been a stalwart of Deen and propagating the Haqq through his bayaans and fataawas. May Allah accept from him and raise his stages in the aakhira. Ameen

He openly spoke out against the deviated sects such as the shias, salafis, etc. He also vehemently opposed interfaith methodologies, intermingling of sexes, photography, marching like bums in the street for the ANC & Palestine and radio stations that these very molvis are involved in and are continuing to desecrate the commands of Allah and the Sunnah.

Below are a few links demonstrating Mufti Saheb's works against these drivel practices

Now if this Obeidullah Molvi Bhoja is serious in honouring the respected Mufti Saheb and his (bhoja's) programme was to educate the ummah on what Mufti Saheb stood for, why did he

not study this material and openly introspect and raise the discussion with his listeners of how deviated radio shaitaan and the cult molvis have become compared to what Mufti Saheb stood for and take lesson. The object was to take a lesson on his life not just a merry-making session for the listeners on the mubaarak night of Jummah, were the ummah should have been encouraged to enage in Ibaadat.

We challenge this bhoja molvi and his cult bosses, if you are serious in honouring Muift Saheb then introspect and change as opposed to going around and justifying your cult practices, the latest in Zambia by the bum and ravat presstitute where they openly justified their cult practices.

When will the likes of bhoja molvi and his ostrich mentality molvis standup against the radio shaitaan & the usa bosses and standup for Haqq or are they just ok with the pay day EFT so as not to rock the sinking titanic. It is frightening to say with all the JUSA branches and molvis including their leadership they have become like walking janazas. Not one can see the wood from the trees. This is Allah's azaab just like with the ulama of bani israeel.

The problem is like Hajaaj who fed the Ulama haram so they will not stand up against him, these molvis are fed sanha carrion by the cult leadership at the behest of their white house masters.

Our advice is if you are genuine in your honouring of the Ulama-e-Haqq like Mufti Saheb, then start by establishing the Haqq in yourself and your ulama buddies. Not one can stand up for Allah and His Nabi Sallallahu Alaihi Wasallam and challenge the rot.

Your coming on this haram merry-making radio platform is to massage your desires and go home and praise yourself for the doing squat. Just look how you desecrated the House of Allah by making it a cinema with big posters of you executive Ayoob Essack who supposed to be qari, who sanctioned all this rubbish.

We make Allah our witness, you have failed miserably and the biggest failure will be in the qbar & aakhira

Our advice is whilst there is breath,

1. Go back to your 7 years of studying and your Akabireen and make a u-turn towards Quraan & Sunnah
2. Establish proper Salaah, most of these molvis are only punctual for bayaans, thereafter missing
3. Connect yourself with Quraan and the men of Allah
4. Speak up for the Haqq even if you will be isolated.

I leave you with this, the respected Mufti Saheb RA was sued by an aid organisation that you promote for giving a fatwa against them. Alhamdulillah he was not perturbed a bit and had full trust in is Wakeel on this matter.

This is a challenge for all the JUSA, Sanha, Radio Shaitaan molvis,

We only make taubah and istigfaar and convey our message.
