# AN APPEAL TO PRAISE AND HONOUR A KAAFIRAH, AN ATHEIST ENEMY OF ALLAH TA'ALA

The **Cross Worshipper**, Reverend Abraham Bham under the designation of the bogus 'jusa' is appealing to Muslims to honour and praise one lesbian kaafirah who is an atheist. Leila Khaled is a member of the Marxist-Leninist (Communist) entity, *Popular Front for the Liberation of Palestine (PFLP)*. These are communists who are kuffaar of the worst order.

Muslims should diligently and correctly apply the intelligence (*Aql*) Allah Ta'ala has bestowed to them. With some rumination and reflection they will understand the gross notoriety of this absolutely haraam appeal made by the Cross Worshipper. Rasulullah (Sallallahu alayhi wasallam) said:

*“When a faasiq is praised/honoured, the Arsh of Allah shudders.”*

Wrath, disgust and curse constrain the Divine Throne to shudder when even a faasiq who is a genuine Muslim, is praised or honoured. But here we have this miserable Cross Worshipper, Reverend Abraham Bham who has long ago expelled Imaan from his heart by multiple acts of kufr, fisq and fujoor which he and his shaitaani molvi cohorts legalize and halaalize, calling for Muslims to support the haraam act of praising the lesbian, atheist kaafirah.

Besides the act of changing the name of the driveway to honour an enemy of Allah Ta'ala being haraam, it is palpably nonsensical. It is haraam to indulge in

nonsense even if the nonsense is not kufr. Allah Ta'ala, praising those who abstain from nonsense, says:

*“And when they hear nonsense, they turn away from it, and they say: ‘For us are our deeds and for you (kuffaar) are your deeds. We do not follow the ignoramuses.’”*  
(Al-Qasas, Aayat 55)

*“Verily the Mu'minoon have attained success. They are those who are humble in their Salaat and those who turn away from nonsense.”*  
(Al-Mu'minoon, 1, 2, 3)

*“They are those who do not perpetrate falsehood, and when they pass by nonsense, they pass by in noble dignity.”*  
(Al-Furqaan, Aayat 72)

Futility and nonsense are corruptive of Imaan. Indulgence in nonsense darkens the Soul. Even if the name selected for praising and honouring is not of an atheist enemy of Allah Ta'ala, then too participating in the futile, nonsensical act will not be permissible. It is pure nonsense devoid of even a vestige of benefit.

There are some such deeds which although are major sins and haraam, not nonsensical, they do have some worldly benefits. Gambling and liquor are major sins. Nevertheless, the benefits of these haraam acts cannot be denied. Confirming the benefits, the Qur'aan Majeed states:

*“They ask you (O Muhammad!) about wine and gambling. Say (to them): ‘In these two act is great sin and many benefits, but the sin is greater than the benefits.’”*

Despite the benefits, wine and gambling are haraam. But there is absolutely no benefit in the haraam act of praising and honouring a kaafirah atheist. It is pure nonsense which the Cross Worshipper is supporting in pursuit of his vile, nafsani and shaitani objectives.

Muslims must beware of this Shaitaan Incarnate. The mission Iblees has tasked to him is to ensnare Muslims into the web of fisq, fujoor and kufr to ruin them in this dunya and the Aakhirat. Therefore, beware of his shaitani shenanigans.

*“The life of this world is but play and amusement  
While the Abode of the Aakhirat is best for those  
Who fear. What! Have you no intelligence?”*  
(Qur'aan)
