ANOTHER KUFR ACT OF REVEREND ABRAHAM BHAM IN SUPPORT OF A KAAFIRAH LESBIAN

*“O People of Imaan! Do not take as friends My enemy
and your enemy by inclining to them with friendship.
Verily, they have committed kufr (rejected) the Truth
which has come to you.”
(Al-Mumtahinah, Aayat 1)*

*“You will see those in whose hearts is a disease (the
Disease of Nifaaq and Kufr) racing in them (the kuffaar)...”
(Al-Maaidah, Aayat 52)*

A salient feature – an outstanding attribute – of the Munaafiqeen who lurk in the Muslim community, is their bosom friendship with the kuffaar. They hasten to be among them. They crawl behind them, licking their boots for recognition and monetary goals. Once again, Reverend Abraham Bham and his NNB (No Name Brand) clique of bogus molvis masquerading as ‘jusa’, have audaciously displayed their friendship for kuffaar ideologies, and this time for a *kaafirah* lesbian. In his latest statement of stupidity and kufr, the Reverend Abraham Bham, the Cross Worshipper, states:

“The Jamiatul Ulama South Africa would like to add
its voice in support of the move, on the basis of
solidarity with the struggles for the self-determination
of the people of Palestine, and the liberation of the
Occupied Palestinian Lands.

Leila Khaled has been recognised as an iconic figure in a

people's struggle for freedom across the world, among
whom are long-suffering women. ...
JUSA backs the renaming of the Drive to Leila Khaled,...

We urge all residents of Johannesburg to support this
Move...

We appeal to the members of the community and the
residents of Johannesburg to sign and forward
petitions to the City of Johannesburg, in support of
this move,

(End of the haraam kufr plea of the Cross Worshipper)

Firstly, it is necessary to know who is this woman called Leila Khaled – this enemy of Allah Azza Wa Jal whom the miserable Cross Worshipper and his clique of juhala molvis regard as an ‘icon’. This woman sporting a Muslim name, is a Palestinian and a member of the *Popular Front for the Liberation of Palestine (PFLP)*. This entity is a Marxist-Leninist organization. They are the **worst** enemies of Allah Azza Wa Jal because they are **atheists**. They deny the very Existence of Allah Azza Wa Jal. There are no worse and greater enemies of Allah Ta’ala than the atheists.

It is this lesbian, jaahilah, faajirah, kaafirah ‘icon’ whom this miserable MURTAD, Reverend Abraham Bham has deified. Thus this kaafirah who is destined for eternal perdition in Jahanaam has become the ‘icon’ of this miserable Cross Worshipper who had sat worshipping in a Christian church under 12 crosses.

These Palestinian communists who are enemies of Allah Ta’ala are also a segment of the Resistance against Israel. Hamas being jaahil, to say the least, has no valid understanding of Imaan and the Deen, hence they do not understand the kufr villainy of teaming up with the enemies of Allah Azza Wa Jal. The Wrath of Allah Azza Wa Jal is settling on them as a consequence of their high treason against Allah Azza Wa Jal. Teeming with, supporting and praising the worst enemies of Allah Azza Wa Jal – the atheists – as the miserable Cross Worshipper demonstrates are vociferous and conspicuous invitations for the *La’nat and Ghabab* of Allah Azza Wa Jal.

While it is absolutely shocking that morons posing as molvis such as the NNB Clique of Munaafiqeen, have the kufr temerity of blatantly praising a lesbian *kaafirah* and regarding her as their idol, it is not at all surprising because of their *nifaaq* which they are brazenly advertising with their acts of fisq, fujoor and kufr. Their hearts are saturated with *nifaaq*.

We urge all those molvis who are today so vociferous and even indulging in conspiracies against Molvi Sa’d of the Nizaamuddeen faction, to examine their hearts to understand the subtle crookedness in them which constrains them to

embark on their opposition to Molvi Sa'd, but remain silent and dumb *shayaateen* regarding the blatant kufr perpetrations of Reverend Abraham Bham and his bogus 'jusa' entity. Why is there no clamour against this Iblees Incarnate despite his glaring acts of kufr over the years? And, it is not only this Cross Worshipper who blatantly propagates fisq, fujoor and kufr. There are many other vile miscreants of the same feather. Despite their flagrant indulgence and promotion of kufr, the anti-Molvi Sa'd molvis remain silent. For them, he is the only target for their *amr bil ma'roof*.

While there is scope for resorting to *Ta'weel* regarding the misconceptions of Molvi Sa'd, there is no such scope to save the skin of the Cross Worshipper. But the anti-Molvi Sa'd Raiwandi faction Molvis are all silent. It appears that their sole target for their insincere *amr bil ma'roof* is Molvi Sa'd. Indeed they are entangled in the web of *shaitaaniyat* and *nafsaaniyat* which they are projecting under guise of the Deen.

While the lay people (*Awaamun Naas*) are unable to understand the subtleties of Molvi Sa'd's *baatil* interpretation of Qur'aanic Aayaat, they readily understand the fisq, fujoor and kufr of the Cross Worshipping Reverend Abraham. But in this regard, the Molvis are all silent, not offering any guidance. But they do make unintelligent murmurs against such of the Haqq which is not palatable to their *nafs*.

Understand well! It is haraam for Muslims to sign the haraam kufr petition of Reverend Abraham Bham. It is haraam to support the proposal for selecting the name of a lesbian kaafirah who is among the worst enemies of Allah Ta'ala.

It does not behove Muslims to participate in the stupid acts, ways, projects and functions of the kuffaar. Allah Ta'ala has not sent us into this dunya to become embroiled in activities which are ruinous of our Aakhirat. Rasulullah (Sallallahu alayhi wasallam) said:

“Verily, the dunya has been created for you while you have been created for the Aakhirat.”

This dunya is a temporary abode. It is the place where we have to purify ourselves in preparation for the Meeting with Allah Ta'ala and for our original and true home in Jannat. Rasulullah (Sallallahu alayhi wasallam) said that *“this dunya is jeefah (carrion).”* We are supposed to take from this *jeefah* only the amount necessary for our survival. But it is exceedingly lamentable that Muslims have made this *dunya* their primary objective, hence they emulate and bootlick the kuffaar in all their activities and projects which are deemed desirable for the 'perfection' of this worldly life. But for the genuine Muslim this objective is a satanic phantom which cannot be attained. Its pursuit will ruin him in this dunya and it will pave the pathway for his entry into Jahannam.

Following Cross Worshipers who masquerade as Muslims and following molvis who display their snouts on the haraam internet platforms, is to follow Iblees, the Accursed Devil who had taken an oath to mislead the creation of Allah Ta'ala.

These miserable bootlickers of the Yahood and Nasaara seek recognition, stupid fame and money, hence they pander flagitiously and obsequiously in the 'lizard's hole', flattering the kuffaar whom they believe will fulfil their shaitaani and nafsani objectives. Regarding these miserable sewer rats, the Qur'aan Majeed states:

***"Do they seek the law of Jaahiliyyah?...O People of Imaan!
Do not take as friends the Yahood and Nasaara. They are
mutual friends. Whoever among you befriends them, verily
he is of them. Verily, Allah does not guide a community
which is zaalimeen."***

***"You will see those in whose hearts is a disease (the
Disease of Nifaaq and Kufr) racing in them (the kuffaar)..."
(Al-Maaidah, Aayaat 50, 51, 52)***

Do not be deluded by this agent of Iblees. Do not answer his haraam nonsensical call to participate in the haraam support for the name of a *kaafirah* who is among the worst enemies of Allah Ta'ala. How can a true Muslim ever participate in an act which seeks to laud praise and honour on a *Mal-oonah/Mabghoodhah* who is among the vilest enemies of Allah Azza Wa Jal? Even praising a faasiq Muslim or a bid'ati causes the Arsh of Allah Ta'ala to shudder.
