ANOTHER MJC PORK-VARK SHENANIGAN

The PORK-VARK albatroos is clinging around the neck of the MJC Carrion Mafia Juhala. Hard on the heels of a PORK-VARK debacle at Checkers just a couple of days ago, comes a new PORK-VARK revelation from SPAR. Presenting its apologies for the MJC PORK-VARK satanism, SPAR says:

“Good day.

To whom this may concern.

Spar Cinnamon Square humbly apologises for the mislabelling of our products.

We had an error with our scales and it reset the label specs of the labels adding the Muslim Judicial Council Halaal Trust logo on the label instead of the ICOSA 1090 who we are certified with.

The MJCHT halal logo was also printed on our non-halal pork products in error.” (Our emphasis –The Majlis)

Spar’s apology and cover-up stunt do not exonerate the MJC Shayaateen from the most abominable crime of being responsible for stupid Muslims consuming PORK and carrion on the basis of stupid, haraam ‘halaal’ stickers and labels.

In this case real PORK-VARK was advertised as halaal with the MJC halaal logo. It was real PORK-VARK bought and gobbled by ignorant Muslims who are addicted to consuming carrion.

Muslims, even moron Muslims, should reflect, apply their Allah-Given brains and consult their Imaani conscience to understand the absolute notoriety of this appallingly disgusting ‘halaal’ certification industry operate by cartels of Satanists such as MJC, SANHA, ICSA, NIHT and many other rubbishes. These Rubbish satanic outfits have in entirety extinguished the Imaani inhibitions of the masses, hence the large scale carrion addiction – carrion which has assumed the status of being a staple food.

The latest Spar episode together with the plethora of similar incidents of intentional and unintentional ‘mis-labelling’ which bedevil this accursed satanic haraam ‘halaal’ certificate industry loudly and vigorously testify that it is impossible – totally impossible – to adequately supervise the meat products which are under the control of kuffaar. In fact, should it be momentarily and stupidly presumed that the ‘supervision’ is of a high standard, then too it is HARAAM to purchase meat products from kuffaar supermarkets, hypermarkets, restaurants, shops and any such outlet.

Only people whose minds have exploded in cognitive dissonance find plausible excuses to smother the revulsion of their Imaani conscience to consuming the rot, filth and diseased carrion which they procure from the kuffaar stores. Why should kuffaar be concerned with Islamic requisites when they believe that Muslim beliefs are ‘nonsense’? When they themselves consume the products, they will have no moral inhibition against perpetrating fraud and deceit in feeding Muslims pork and carrion in the guise of ‘halaal’.

In the Spar satanic debacle actual pork was labelled ‘halaal’ – certified by the MJC. Regardless of the fact that this particular Spar branch may not be an MJC certified store, this information has no meaning for the moron masses at large. It was not a case of a wrong label affixed to a halaal product. It was a ‘halaal’ logo affixed to PORK. Muslims walking into the store – those addicted to carrion and **MJC VARK** – will simply look at the ‘halaal’ logo of the MJC, buy the rotten, stinking haraam product and consume it. By the time the ‘error’ has been discovered and ‘rectified’, the consumers would have already excreted the metamorphosed pork compounds in their toilets.

Muslims must understand that consumption of haraam, especially haraam filth such as pork and carrion, eliminates spiritual stamina (*Roohaaniyat*) and creates *Zulmat* (satanic darkness). The spiritual heart is blinded and all perception of halaal and haraam is destroyed. Thus the Qur’aan Majeed states:

“The (physical) eyes are not blind, but the hearts within the breasts are blind.”
