THE BROILER CARRION CHICKEN INDUSTRY THE DEVIL'S KILLING

Rasulullah (sallallahu alayhi wasallam) branded the brutal kuffaar systems of slaughtering/killing animals *Shareetatush Shaitaan* (the slaughtering/killing of the Devil). All forms of kuffaar slaughter come within the purview of the designation of *Shareetatush Shaitaan*.

It are the products of *Shareetatush Shaitaan* that miserable, money-hungry entities such as SANHA, MJC, NIHT, and many others of the same carrion ilk halaalize. This satanic villainy is not confined to South Africa. It is endemic. It exists in all countries. A Maulana from Canada writes:

“Last week after Fajr we visited 4 separate chicken plants with some brothers. The Zulm we witnessed is heart wrenching. The stench of the plants is horrid. After witnessing the horrid mass of haraam, Allhumdulilah some brothers have started refraining from eating such chickens.

The main brother raising awareness is a Muslim Chinese Brother who was my late uncle's friend. He's been in the slaughter industry for 31 years. The Chinese Brother's younger brother already has a small set-up going that does absolutely no stunning.

We saw the CAS stunning process and he took a chicken out slaughtered it in front of us and **no blood gushed out at all** when it was upright and when it was held upside down dark **partially congealed blood** was flowing out.

The last slaughter house we saw is what they intend to do. With absolutely no stunning at all. They explained their intended process. They will first do Thabah of the birds in a separate area then after they have bled out the chickens, put them on the processing line.

The Government has a Quota system when it comes to Broilers as opposed to free range chickens. At the moment Muslims don't have any Quota, all the big companies do. Muslims are just certifiers and don't have any Quota. The reason why it's becoming a challenge to obtain a Quota is the certifiers that have bent over backwards for the Kuffar companies. I am merely in the background because Allah Ta'ala knows best if when things start and if money gets involved what could take place. Heeding your advice if I were to start something it would only be on a small scale." (End of the Maulana's report)

The *Thabah* system designed and commanded by Allah Ta'ala never had in its objectives the provision of monetary benefits for the kuffaar companies. The Islamic system is sacred and was divinely designed for providing halaal-tayyib meat for Muslims, not for money-making, and not to satiate the lustful cravings for money of the evil certifiers of carrion.

It is never ever possible for the system of Islamic Thabah to function correctly in a kaafir *Shareetatush Shaitaan* killing facility. It is not possible for the slaughterers who themselves are fussaaq, to recite the Tasmiyah on everyone of the millions of chickens they kill. These chickens hanging upside down come swirling towards the slaughterers at speed. Neither is it possible to recite the Tasmiyah on each chicken nor is it possible to correctly sever the requisite neck vessels of every chicken.

The Devil's system of killing demands that the slaughters even abandon their Imaan. Salaat is practically slaughtered and abandoned. Most slaughters do not perform even Salaat. Their horrid shaitani job in the stinking, bloody environment does not permit performance of Salaat. To such fussaaq is entrusted the responsibility of providing halaal meat for Muslims.

The greater blame for the massive consumption of carrion, lies not on the shoulders of the carrion certifying rubbishes nor on the fussaaq slaughters. The masses who consume the diseased filth which is not halaal for even dogs, are the primary culprits who sustain the haraam carrion industry. They are addicted to carrion just as drug addicts. Then in later life they suffer from multiple grave diseases, the consequence of their years of ingestion of filth and carrion. Warning Muslims, the Qur'aan Majeed says:

"O People! Eat from the earth that which is halaal-tayyib, and do not follow in the footsteps of shaitaan, for verily he is your avowed enemy. He instructs you with only evil and immorality."
