ELECTIONS IN INDIA

A Brother from India, lamenting the gross misguidance of the molvis and tableegh jamaat, writes:

“There's a pressing issue that I'd like to bring to your notice and ask for your advice and opinion, in the form of an article if possible so that my fellow Indians can also benefit.

Recently the Tableeghi Jamaat elders of Bangalore called for a big jor (gathering) in the markaz of Bangalore. After a long bayan of how to bring back Muslims on track and how to save Muslims from the zulm of the kaafir government etc, they advised all the Muslims to give special dedication to the upcoming elections by discussing a plan in the Masjidwaar Jamat, and helping the people of their specific localities to create the voter ID cards, etc, and that help be ready for the upcoming elections. They also constantly encouraged people to vote.

All this happened under the senior scholars of Bangalore who are senior members of the shura. The Tabligh Jamaat is leaving no stone unturned in these efforts, following the advice of the markaz. This is what the Tableeghi Jamaat of Bangalore has done. Many ulama give such bayans, to encourage voting and run election awareness programs in their areas regularly.

I'd like to point out one specific bayaan shared a few days ago by Sajjad Nomani, who is very popular amongst the Indian Muslims. His exact statements were:

"Mai qasam khaa kar kehneko tayyar hun, agar aapne vote nadaala aur apne mohallewaalonke vote daalne ki fikar nahiki toh aap qayaamat ke din pak dejayenge. Mai dankekichot par kehraha hun agar aapne ye socha ki vote dene ka Deen se koi talluq nahi, aap mujrim hein. Mera girebaan pakadiye qayaamart ke din. Allah ke darbaar me meri shikayat darj kara dijiye. Mai insha Allah jawaab dunga. Mai sainkroun aayat ki roshni me jawaab dunga "

He continued making similar such statements.

Roughly this translates to:

"Im ready to swear that if you don't vote and don't encourage people to vote you'll be held responsible on the day of Qiyaamah, and if you think voting, etc, isn't part of Deen you're a criminal. You can hold me accountable for my statements on the day of judgement in front of Allah. I'll give a response with the help of hundreds of Aayaat of Quran. "

(End of the Jaahil's copro-kufr)

Now Mufti Sahib the problem is here in my city and India in general. We barely have any scholars who proclaim the Haqq , and who would refute such statements made by Sajjad Nomani and others.

People like me are confused seeing a lot of ulama speaking the same way as Sajjad Nomani does. They mention the same things he's said. So me, and I'm sure a lot of Muslims from India are looking for someone who can make the Haqq crystal clear for us. Please comment, advise and guide us. Since the elections are upcoming in India, we are in need of clarity. Jazaak Allah!

(End of the Brother's Lament)

The copro advice and propagation proffered by the Sajjad Nomani character, the Tablighi Jamaat and other wayward molvis, pundits and swamis is the effect of shaitaani manipulation of their brains. Such satanism is described in the Qur'aan Majeed as *Takhabbatush Shaitaan*. People who devour riba (interest) suffer from a kind of shaitaani insanity which the Qur'aan Majeed says is *Takhabbatush Shaitaan*. This same disease affects the bootlickers of Taaghoot.

Having set aside the Shariah, these characters have been ensnared by Iblees, hence they are promoting the law of Taaghoot. Every sane Muslim, be he unlearned, provided his Imaan is not corrupted by kufr, can readily understand that the law in India and all its political systems are the law of Taaghoot. There is no quandary in understanding that the voting system of the Hindu mushrikeen, of the worshippers of a million idols, of those who consume cow dung and cow urine, is pure Taaghooti.

There is absolutely no difficulty for the Muslim mind uncontaminated with kufr to understand that in addition to the voting system being *per se* haraam simply because it is the law of Taaghoot, the system is further aggravated by several haraam acts. Voting is a system which entails violation of the Shariah.

The brains of Sajjad and his ilk are deranged with the concepts and ideas of the mushrikeen and atheists, hence they search for honour, success and prosperity in such ways by means of which the kuffaar attain mundane goals. They fail to understand that the honour, prosperity, victory and success of Muslims are inextricably interwoven with the fabric of the Sunnah and Shariah, and that any diversion from Siraatul Mustaqeem comes with disastrous consequence. An

extreme example of such disaster is the current genocidal conflagration which has reduced Gaza to rubble and which has brought unimaginable horror and suffering to the people.

Sajjad and his fellow deviate molvis do not believe in the veracity of Hadhrat Umar's statement: *"We are a nation whom Allah has elevated with Islam"*. While he may be aware of this Truth stated by Hadhrat Umar (Radhiyallahu anhu), it is palpably clear that he does not believe in it, hence he is promoting the law and system of Taaghoot. Both these wayward molvis and the Tabligh Jamaat have become Taaghooti – appendages of Shaitaan.

The Tabligh Jamaat, despite having a narrow environ consisting of six points or six principles, deems it necessary to promote the ways and systems of the mushrikeen whilst the two factions of the Tabligh Jamaat stand with daggers ready to murder their Jamaati colleagues. For them promoting the system of the cow and idol worshippers, and killing each other have become acts of high merit.

Regarding these kuffaar from whom Sajjad and the Tablighis are seeking honour and protection, the Qur'aan Majeed states:

"Verily, Allah will not forgive those who commit kufr and zulm, and He will not guide them to any path except the path of Jahannam wherein they will dwell forever. And, that is for Allah simple. (An-Nisa, Aayat 169)

By what stretch of Imaani logic can Muslims adopt the Path of Jahannam which Allah Ta'ala has confirmed for the Mushrikeen? The solution for the suffering of Muslims and for gaining the Nusrat and Protection of Allah Ta'ala against the kuffaar, is nothing other than submission to the Shariah and adoption of the Sunnah. When Bani Israaeel complained to Nabi Musaa (Alayhis salaam) about the horrors of Fir'oun's zulm, he (Nabi Musa) said:

"Seek help from Allah and with Sabr. Verily, the earth belongs to Allah. He grants it to whomever of His servants He wills. The ultimate success/victory is for the Muttaqeen."
(Al-A'raaf, Aayat 128)

Nabi Musaa (Alayhis salaam) did not advise his people to bootlick the kuffaar. He did not advise them to adopt any of the systems or laws of the kuffaar. The advice was strictly: *Follow the Deen and have Sabr!*

The command of Allah Ta'ala is:

"They who do not judge according to that (Shariah)

revealed by Allah, verily, they are kaafiroon.”

*“Do you search for the law of Jaahiliyyah? Who can be a better Judge than Allah for the people of Imaan?”
(Al-Maaidah, Aayat 5)*

Stating the solution for all our problems, the Qur’aan Majeed commands:
*“Establish Salaat, pay Zakaat and follow the Rasool so that mercy be shown to you.”
(An-Noor, Aayat 56)*

Muslims cannot gain domination on earth nor the protection of Allah Ta’ala by following the ways and systems of the kuffaar. Allah Ta’ala says:

*“Allah has promised those who believe and who practice virtuous deeds that He will establish them as rulers on earth as He had established those before them. He will strengthen them in the Deen He has chosen for them, and He will replace their fear with safety. They worship Me and do not commit shirk with Me in anything. Those who commit kufr thereafter, verily they are faasiqoon.”
(An-Noor, Aayat 55)*

It does not behove Muslims to seek solutions and guidance from the kuffaar and from their systems of law. Allah Ta’ala says: *“Verily the Guidance of Allah is the only Guidance. We (Muslimeen) have been commanded to submit to Rabbul Aalameen.” (Al-An’aam, Aayat 71)*

There is no doubt whatsoever in the *hurmat* of participating in the voting system of the kuffaar and mushrikeen. It is a system of Taaghoot, and Sajjad, the Tabligh Jamaat and the other molvis of the same ilk are the agents of Iblees. Instead of encouraging Muslims along the Path commanded by the Qur’aan, they divert the minds of the Ummah from Siraatul Mustaqeem towards the Law of Jaahiliyyah and the ways of Taaghoot. Warning the Ummah and explaining the solution with emphasis and clarity, the Qur’aan Majeed states:

*“Turn towards your Rabb and submit to Him before there comes to you the Athaab, then you will not be helped. And follow that most beautiful (Law) revealed to you from your Rabb before there comes to you the Punishment suddenly whilst you will not even understand.”
(Az-Zumar, 54 & 55)*

The solution for Muslim suffering and to attain *aafiyat* and *najaat* from the *zulm* of the kuffaar and mushrikeen, the only solution, is *Inaabat Ilallaah*. Muslims are required by Allah Ta'ala to repent, renew their Pledge of Obedience and adopt Taa-at (Obedience) and Ibaadat (Worship). Then will come the Nusrat of Allah Ta'ala.

Besides *Inaabat ilallah*, there is absolutely no other way out from the dilemma and misery for Muslims. Take lesson from the mighty upheaval and conflagration which have consumed and destroyed Gaza and its people. The entire world stands by as idle spectators witnessing the genocide. This is the Athaab of Allah Ta'ala which befalls Muslims via the kuffaar whom Allah Ta'ala allows to inflict on us unimaginable *zulm*. Allah Ta'ala says in the Qur'aan Majeed:

“Allah does not commit an atom of injustice.”

Allah Ta'ala also says, after having punished a nation with destruction:

“Allah has not rendered them any injustice. But, they have been unjust to themselves.”

Muslims should not be diverted from Siraatul Mustaqeem and from the Qur'aanic prescription by the *jahl* of the likes of Sajjad Nomani and the Tabligh Jamaat. They are bootlickers of the kuffaar. They are pursuing despicable worldly objectives.

The ludicrous claims the Sajjad jaahil has made about him citing hundreds of Aayat to Allah Ta'ala on the Day of Qiyaamah to justify his support for and promotion of the Taghooti system of voting, demonstrates his arrogance and pride. In fact his stance borders on kuffaar. Did this moron receive Wahi to enable him to claim with absolute certitude that the Taghooti system of voting is acceptable to Allah Ta'ala, and that for Muslims it is as Fardh as Salaat and Saum? This chap lacks understanding. His brains are polluted with satanism.

Muslims should never participate in the elections. They should adopt Sabr, make Dua and repent. Taubah and Dua are the ways of Muslims. But Taubah will be valid and produce the desired results only when Muslims become obedient slaves of Allah Ta'ala. Rasulullah (Sallallahu alayhi wasallam) said;

“Whatever is by Allah is obtainable by means of Taa-at (Obedience).”

Our safety, our protection and our victory in this dunya and in the Aakhirat are reliant on *Inaabat Ilallaah*.
