## **HARAAM SHAITAANI VACCINATION**

**Please comment on the following vaccination programme:**

**HILLCREST PRIMARY SCHOOL**

14 February 2024

Dear grade 5 Parents

**RE: HPV VACCINATION – THIS APPLIES ONLY TO THE GIRLS.**

The Department of Health, Basic Education and Social Development provide health services to learners in school through the integrated health programme.

This year they are offering the HPV vaccination to our Grade 5 Female learners only.

This vaccination is not compulsory, but your choice.

Please take note of the information below:

**PREVENT CERVICAL CANER (HPV VACCINATION): TARGET GROUP –  
GRADE 5 GIRLS/ 9 YRS & OLDER**

The Government has introduced a vaccination (for all girls in grade 5) to reduce the number of cases of cervical cancer in the country. Girls that are **9years and older** will be given the option to now have her first injection.

The health professionals will be visiting on the 06 March 2024 to administer the first **HPV vaccine Injection**. The booster to follow later in the year, date to be advised.

Should you wish for your child to have this vaccination, kindly complete the attached Department of Health form and return ASAP to school by 27 February 2024. Only learners that have a signed consent form will be vaccinated.

*(End of the Haraam project)*

While vaccination of every kind is Haraam, the vaccination mentioned in the aforementioned circular of the school, is compounded HARAAM.

Muslims must BEWARE of this shaitani assault. The kuffaar have utilized vaccination in other parts of the world to sterilize females.

Never consent to your child being administered with the needle of Iblees.
