ICSA IS A SHIAH ENTITY

Question

Please comment on the letter of condolence which ICSA sent to the Iranian authorities to express “the condolences of the Muslim community of South Africa” on the victims of the helicopter crash. Does ICSA represent the Muslim community of South Africa?

Answer

ICSA is a pure SHIAH entity. It perhaps represents the Shiahs and neo-Shiahs of South Africa. Its claim of representing the Muslim community is FRAUD – a blatant LIE and most despicable.

Those aligned with this SHIAH entity are Murtaddeen.

VOTING IS TO VOTE FOR TAGHOOT – VOTING IS HARAAM

Voting is a kuffaar political system. Voting is to vote for Taghoot. Those who vote for Taghoot are Kaafiroon according to the Qur’aan Majeed.

All ‘fatwas’ permitting voting emanate from either bootlicking muftis or muftis whose intellect has suffered imbecility due to the ravages of western influences.
