THE INTERFAITH OBSCENITY OF THE TRUSTEES OF A MUSJID

Please comment!

The trustees and imam of a musjid in Durban North are very westernized and liberal in their thinking and actively promote interfaith activities like "musjid open days", etc. Men and women, some dressed even inappropriately, come into the mosque and the molana and others give them a motivational talk on Islam.

The atmosphere in and around the musjid is a festive one. In the parking lot there's pop-up stalls. There's no segregation, so men and women openly, freely intermingle and laugh with each other inside and outside. The organisers say it is a progressive form of dawah to non-muslims that is often neglected by the ulema. They say it is also a way to show them who we are and what we do in the Mosque, in order to appease and allay the hostile or Islamophobic sentiments they might be harbouring against us.

Now since it is Rabeul Awwal, they started a new thing. They are inviting and urging the mothers, fathers and children of the madressa in the next few weekends to go to a few surrounding shopping malls to distribute roses stuck on boards with sayings of our Prophet Nabi(saw) on them -- to introduce & educate non-muslims about the beautiful character of our beloved Prophet Nabi(saw).

Kindly comment and advise on what should be done.

COMMENT

Rasulullah (Sallallahu alayhi wasallam) said that the time will dawn when Muslims will crawl in imitation behind the Yahood and Nasaara, step by step,

inch by inch and enter with them into the 'lizard's hole'. The *tashabbuh* with the kuffaar will be more than 100% complete.

It is not surprising at all if these miserable trustees of this Musjid are munaafiqs and murtadds. The degree of fisq and fujoor into which they and the participants in the obscene haraam acts have degenerated is shockingly appalling. Shaitaan has in entirety ensnared these interfaith promoters into his web of fisq, fujoor and kufr. They bootlick and hindlick the kuffaar right into the 'lizard's hole' – the 'HOLE' stated by Rasulullah (Sallallahu alayhi wasallam).

To gratify their lusts and to appease the kuffaar whom they worship, they promote their satanism in the name of 'da'wah'. But every true Muslim understands that they are promoting interfaith kufr satanism.

Yes, these vile louts are engaging in 'da'wah' – the 'da'wah' of satanism. They are calling kuffaar to kufr. Their jahaalat is staggeringly colossal. Kuffaar are kuffaar. They do not require to be called to Kufr. What these illegitimate progeny of Iblees – these trustees and munaafiq molvis – are organizing, is pure shaitaaniyat which Iblees has urinated into their brains. Regarding such corrupt and putrid brains, the Qur'aan Majeed states:

“We cast RIJS (FILTH) on those who cannot understand.”

They are bereft of even a vestige of *Aql*, hence they have the blatant audacity of indulging and promoting so much filth and haraam in the name of Islam. In the words of the Qur'aan Majeed: *“They are more astray than animals.”*

Their 'motivational talks' are the *ilhaam (inspiration)* of Iblees. Shaitaaniyat permeates every vein in the bodies of these miserable 'trustees' who are the professed followers of Iblees. Rasulullah (Sallallahu alayhi wasallam) said:

“Soon shall there be in my Ummah such people in whom will permeate these bestial lusts just as rabies seizes its victim. Not a vein nor a joint of his will remain unaffected.”

The disease of kufr madness will penetrate every capillary in his body. This is the state of these filthy trustees and people who organize and indulge in interfaith satanism. Even ignorant Muslims, provided their Imaan is intact, understand the villainy and obscenity of the satanic interfaith stunts organized by these illegitimate trustees. A Muslim is not in need of knowledge nor in need of brains to understand the filth, fisq, fujoor and kufr of what these evil trustees have organized. Imaan is adequate for understanding the evil of the haraam shaitaaniyat of these trustees.
