MJC CANNIBALS CANNIBALIZING THEMSELVES

They were the Ghutha (Rubbish) and Munaafiqeen who with the NNB Munaafiq Clique had closed the Musaajid and suspended Jumuah and Fardh Salaat. They were the Munaafiq villains who had run to the kuffaar court as 'Friends of the Court' to appeal and beg the court to close the Musaajid. In so doing this gang of *Ghutha (Rubbish)* had expunged whatever vestige of Imaan they still had at that stage.

Allah Ta'ala operates in ways which are unfathomable to us. His *La'nat* (Curse) has now settled on the MJC *Ghutha* who have exhibited their cannibalism by going to the same kuffaar court. Each one of antagonists have asked the court to conform the validity of their cannibalism. Now they are mutually devouring themselves. The kuffaar court, whose 'Friend' was this Cannibal Pork Carrion entity, has ruled in favour of the Respondents faction of the Cannibal Clique.

The Munaafiq Cannibal, Irfaan Abrahams, the former president of this MJC carrion entity, had petitioned his Friend, the kuffaar court to re-instate him after he was unceremoniously kicked out by the Respondent Cannibals. Another jaahil, Applebee, is currently the acting president of the carrion outfit.

The Case in terms of the Shariah is absolutely ludicrous and haraam. A villain has been dismissed by his villain employers. Now the worker (Abrahams Cannibal) seeks to be re-instated despite his Cannibal employers having given him the boot. According to the Shariah, a worker has no right to insist and demand reinstatement after dismissal. But, here a

chap who masquerades as a sheikh enlists the aid of the kuffaar court to have him forcibly reinstated in conflict with the desire of the employer. The boodle of about R50,000 monthly so-called ‘salary’ has driven the character to madness. The madness for boodle is termed in the Qur’aan Majeed *Takhabbatush Shaitaan* (mental derangement caused by Iblees). People who devour interest, haraam boodle, carrion and the like suffer acutely from this satanic disease.

The conduct of these MJC Cannibals is not at all surprising. Yes, their suspension of Jumuah Salaat and closing the Musaaajid and promoting all the protocols of the Covid Satanists were once upon a time shockingly surprising, but no more now. Now nothing emerging from these *Ghutha* copro-characters – no amount and no kind of fitnah – can be surprising. The worst kind of *shaitanaiyat* is to be expected from them. They come fully, fully within the purview of the following Hadith of Rasulullah (Sallallahu alayhi wasallam):

“Soon will there dawn a time when the worst of the people under the canopy of the sky will be the ulama. From then will emerge fitnah, and the fitnah will rebound on them.”

And, under the ‘canopy of the sky’ are also swines, apes, Yahood, Nasaara and Mushrikeen. These kinds of juhala, zanaadaqah ‘ulama’ are this the worst specimens of creation. They not only sub-human, they are sub-beast.

Irfaan Abrahams in his Notice of Motion had sunk to the very bottom of the sewer drain where only rats dwell. In his paper to his Friend, the court, he asks the court to fine and imprison his cannibal ‘brothers’. At one stage they all were complicit in all their haraam shenanigans. Now today, he wants them jailed because he is losing a so-called monthly salary of R40,000 or R50,000. This boodle has transformed him into a *kalab* (*a raving mad dog*). The Respondent Cannibal faction has offered him a R350,000 handshake to settle. But he has refused. Avarice and greed demand considerably more.

These MJC scoundrels are parasitically sucking huge amounts of money from the organization. Just what qualifies the *ghutha* for the R40,000 monthly so-called salary? The chap only sits, sleeps, snores and wakes up to talk nonsense, to halaalize carrion and to indulge in shenanigans. There is no justification for the huge sums of money these juhala siphon from the organization.

Devouring his brother cannibals, Abrahams Cannibal seeks from the court an order:

*“Imposing a period of imprisonment, such as deemed appropriate by this Honourable Court on the second respondent **Shuaib Appleby**, the third respondents, **The Members of the Imaarah Council**, and the fourth respondent **Riad Fataar...**”*

He has invoked the court and law of Taaghoot in his shaitaani attempt to crucify and devour his cannibal brothers who were his partners and compatriots in their company of Shenanigans of fisq, fujoor, bid’ah and kufr.

Is it possible for a man who has any Imaan in his heart to beg the kuffaar court – the court of Taaghoot – to imprison his own brothers? And for what? Although the whole miserable clique had equally ‘benefited’ from the haraam boodle of their carrion and other haraam shenanigans, this cannibal chap has scraped the very bottom of the sewer drain with his malice and hatred which he disgorges for his compatriot cannibals whom he now wants imprisoned.

Hadhrat Junaid Bagdadi (Rahmatullah alayh) said: *“Whoever seeks honour (and boodle) by means of baatil, Allah will disgrace him with the Haqq.”*

This is what has happened to these MJC louts. They will still be further and thoroughly disgraced. They have misappropriated the Deen for their *shaitaaniyat*, for their worldly and nafsaani objectives. All of these scoundrels, including the NNB Clique of juhala will still be devastatingly exposed and disgraced by Allah Ta’ala. In the name of the Deen they ply their miserable haraam trade of halaalizing carrion and satanically customizing the Deen to suit their haraam and kufr narratives and objectives of fisq, fujoor, bid’ah and kufr.

Since these Cannibals have traversed the frontiers of no return, they have become absolutely bankrupt morally and spiritually. When a person is beyond redemption, the Chastisement from the heavens befalls him. This is what is happening to these MJC Cannibals who are gnawing and ripping at each other and devouring their own carrion flesh.

Just imagine the garrulous appetite for leadership! In total conflict of every rule of the Shariah, the cannibal chap wants the kuffaar court to reinstate him in the position of leadership from which he was so unceremoniously

booted out. As far as the curse of leadership is concerned, it is mentioned in the Hadith:

“We do not bestow leadership to the one who seeks it and who craves for it.”

Rasulullah (Sallallahu alayhi wasallam) said:

“There will be in my Ummah such people (the ghutha type) in whom these ahwa (carnal lusts) will permeate like the disease of rabies in a person. It (the disease) will permeate every vein and joint.”

They will become like raving mad dogs set on devouring even their own kind. This is the fate which has gripped these MJC Cannibals and also the NNB Clique of juhala. Lust for haraam is permeating them. Every vein and joint is diffused with the *ahwa (lusts)* mentioned by our Nabi (Sallallahu alayhi wasallam).

More scandals regarding these Cannibals will still erupt. Their cupboards can no longer hold the large amount of skeletons these miserable fellows have been storing and concealing for decades. The appalling stench is overpowering. The carpet can no longer conceal the haraam shenanigans of these Munaafiq Zanaadaqah who masquerade as sheikhs and molvies. They are nothing but scholars for dollars. In fact the term ‘scholars’ is a misnomer for them. They are grossly deficient in *Ilm* of the Deen. The smattering of textual knowledge they have gleaned does not elevate them to the status of *Ulama*. They are the type about whom Rasulullah (Sallallahu alayhi wasallam) said:

“I fear most for my Ummah Aimmah Mudhilleen.”

They are *mudhilleen* of the first order. They only mislead, misguide and harm and damage the Deen. They know only the path leading to Jahannam.
