OUR COMMUNITY IS NOT ONLY 'INSANE', IT IS ROTTEN TO THE CORE IT IS THIS ROT WHICH IS INVITING THE ATHAAB OF ALLAH TA'ALA

*“When We intend to destroy a town (with its inhabitants),
then We command its affluent ones (i.e. give them a
free run and respite to perpetrate their immorality).
Then they proceed recklessly with fisq (immorality) in
the town, Thus, the Decree (of Punishment) becomes
justified for them. Then we utterly (completely
annihilate (deracinate/destroy) them.”
(Bani Israaeel, Aayat 16)*

When immorality and obscenity traverse all limits of Divine Toleration, the Gazzah scenes, Burma scenes, Kashmir scenes and ethnic violence scenes and the like are decreed by Allah Azza Wa Jal. Then no one of these immoral Rascals and Scoundrels should lament and wonder at the brutality which will horrendously uproot and destroy them. The South African Muslim community should not feel snug and safe. All the signs for the Athaab of Allah Azza Wa Jal are impending and the horizon is dark.

A brother, highlighting the ROT of our community, writes:

“Is our community gone so insane? This sport (the padel satanism) has taken a complete hold over the ummat. How many homes are breaking because of this.

Recently I spent a night at a family member's home. They live in an almost 100% Muslim community. A community of Ulema, madressas, masaajid etc.

Anyway we drove in at 1 o'clock in the morning and when we passed the padel courts I saw that it was fully lit and games were in full swing. All at 1am! It was the first time I saw this. And then I thought to myself, how many of these men have left their young wives to pass the nights in loneliness. How many of them have young children etc. whom they do not hesitate to leave in the darkness and evil of the nights....

That young wife is frustrated and alone...those children take advantage of the frequent absence of their father. Arguments, problems and then broken homes and torn families are the result. These children then grow up in unstable environments and broken homes, leaving them confused and lost.

Men who can't get out of bed to find a stable job, suddenly manage to produce hundreds and thousands of rands which are blown on these games. And the last straw is when they come with 'Padel for Palestine' .

I remember attending a pop-up in the this very Muslim community which I mentioned. Allah forgive me for attending!! The environment at this event was disgraceful! On one side the padel games are in full swing. Then they have all the stalls where young girls in tight jeans and t-shirts are serving with young boys. Then they have games for children which are been handled by apas in niqaab and abayas. Games with music playing over microphone!

And who was attending this event?! 99.9 percent were Muslims. Ladies with niqaab, ulema and men with beards and kurtas!

We justify it saying it's for Palestine! As if money from such environments of fitna are going to bring help to our brothers in Palestine! As if rahmat of Allah will come down after such immoral villainy!

Honestly a country like South Africa where every avenue of Deen is flourishing Alhamdulillah, be it Tabligh, Khanqa or Madaaris --- a country where 100's of ulema graduate annually! And these are the thing that are happening!!

May Allah forgive us all, grant us the understanding and protect us from all evil!
(End of the Brother's lament)

COMMENT

Contrary to general understanding, the Deen is not 'flourishing' in South Africa. The khanqas are bogus. The Madaaris are lifeless mercenary institutions teaching Ilm-e-Deen for the dunya, not for the Aakhirah. The Tabligh Jamaat is now a deviant cult, split into two mutually hostile, antagonistic factions at each other's throats with daggers of malice and hatred.

The vast majority of molvis and muftis belongs to the ulama-e-soo' category. They are primarily responsible for the ROT of the juhala of our community.

The immoral kuffaar sport, padel tennis being the most recent, which Rasulullah (Sallallahu alayhi wasallam) said "*is haraam/baatil*", has been halaalized and given impetus by molvis – scoundrel molvis and rascal muftis who are in league with Iblees. These miserable

scoundrel mercenary molvis and muftis have halaalized kuffaar sport on the basis of satanic and nafsaani interpretation which is bereft of even a vestige of Shar'i substance. Their absolutely stupid argument that sport could be played for 'health' reasons is proof for them having being created to be fuel for Jahannam. They are utterly shameless to proffer satanic arguments to legalize a villainy which Rasulallah (Sallallahu alayhi wasallam) had explicitly and emphatically declared haraam and baatil: *"Every sport of the Mu'min is haraam/baatil."*

In his plot to override the prohibition stated by our Nabi (Sallallahu alayhi wasallam), Shaitaan urinated into the brains of these scoundrel molvis and rascal muftis fanciful interpretations which greatly appeal to and attract the juhala masses. It is shaitaan's ploy to swallow Muslims by imperceptible degrees. He desensitizes their Imaani inhibitions degree by degree until he gobbles them in entirety.

*"Thus does Allah afflict (the brains) of those
who lack understanding with Rijs (Filth)."
(Yoonus, Aayat 100)*

The obscenity and immorality of the laypeople are not so appalling and shocking as are the vile, satanic 'fatwas' of the rascal muftis who halaalize the avalanche of immorality in which the Muslim community has sunk and into which it is sinking deeper and deeper by the day. Muslims are drowning in whirlpools of filth which the satanic 'fatwas' have created for their destruction.

Rasulallah (Sallallahu alayhi wasallam) has prohibited even lawful conversation after Isha'. Indulgence in idle talk at night is not permissible. Allah Ta'ala has created the night for rest, sleep and ibaadat. But the immoral villains are indulging in the satanism of kuffaar sport, zina, and haraam merrymaking at 1 a.m and 2 a.m with their immoral padel satanism accompanied by the host of evil merrymaking explained in the aforementioned letter.

The Deen here has a mere outer façade. It is Deen without its Rooh (Soul). The abayas, niqaabs, beards, kurtas and the like are the deceptive front which camouflages the ROT and kufr in the hearts of the vast majority of the community. They should not feel comfortable and snug in what they perceive to be safety. Let them reflect on the miseries and horror which are currently brutalizing segments of the Ummah elsewhere. Allah Ta'ala is asking these villains:

*"What! Do the people of the towns feel snug (and secure)
against Our punishment which will afflict them
at night while they are sleeping?"*

*"What! Do the people of the towns feel snug (and secure)
against Our punishment which will afflict them
during the day while they are indulging in sport?"*

*What! Do they feel secure against the Plan of
(Punishment) of Allah? Only people who are
losers feel secure against the Plan of Allah."
(Al-A'raaf, Aayaat 97, 98, 99)*
