THE IMMORAL, OBSCENE, SHAITAANI 'PAP SMEAR' TEST AND A SISTER'S ADVICE

Regarding the filthy, obscene and haraam 'pap smear' tests which moron *maajin* muftis condone, a Sister from Pakistan proffers the following advice which will benefit those who have an abhorrence for the crude, filthy, immoral shaitaani test:

Two years back the same question about the shameful pap test was sent to Mufti Ibraheem Desai Saheb (ra). The question and his answer was published on the website of The Majlis with your same comments. At that time a Dr Mohiyuddin had also sent a letter advocating the test.

At that time I had written my own personal experience that the same obscene test was suggested to me, which I refused outright. At that time also I had written this very easy and sure prescription, which was put on your website. Shifa is only from Allah Allah Ta'ala . This prescription was given by a head Hakeem Saheb in the court of the Nawab Saheb of Bhopal, in undivided India, and was suggested to me by a Walia, who was a Mureed of Dr. Abdul Hai Saheb (ra).

Eat 2 ripe medium size bananas on an empty stomach early morning.

Eat 2 ripe medium size bananas after Asr on an empty stomach.

Recite Surah Fatihah 3-7 times blow on water and drink it.

Inshallah if this prescription is followed very regularly and strictly, it works wonders. Many ladies who were suggested the shameful test followed this prescription and did not need any treatment at all at any time Alhamdulillah.

It is my humble request to sisters not to go in for any test or medicine , instead do try this prescription. It's so easy and simple.
