MESSAGE FOR HAMAS

It has been reported by the media that Israel and Hamas have reached an agreement for medicine to be delivered by Israel to Hamas for passing on to 45 Israeli captives being held by Hamas.

This agreement has dangerous implications for Hamas. Hamas should not be so naïve to overlook the fact that Israel is exploring every avenue to discover the location where the captives are being held. From the very point of the medicine leaving Israeli possession, Mossad will most assuredly be observing its trajectory.

Hamas should be aware that there are spies even within its own organization. Israel will most certainly spare no effort and no stone will be left unturned to keep the trajectory of the medicine under observation.

There is also the distinct danger of the containers of the medicine being bugged with some radio device to transmit messages of its whereabouts.

There is also the distinct danger of the containers of the medicine being bugged with some radio device to transmit messages of its whereabouts.

If Hamas has decided to go through with the agreement to accept medicine for the captives, it should acquire the medicine of its own without accepting it from Israel. The names of the medication should be acquired from the captives. Then Hamas should make an arrangement to acquire the medicine without the need for Israel to deliver it.

Furthermore, beware of Qatar. Qatar is a U.S. trap.

May Allah Ta'ala guide and protect you all.

Was-salaam

Mujlisul Ulama of S.A.

(End of the Message)

Today the treachery of which Mujlisul Ulama had warned has come to light. Read the following report:

The secret of the medicines to the Zionist criminal prisoners in Gaza deal and the Zionist criminals persisted attack on Nasser Medical center in Gaza has been unlocked and explained by the Zionist criminals media.

During the 2nd half January a deal was reached between the Palestinian mujahideen in Gaza and the Zionist criminal forces whereby the Palestinian mujahideen would receive a shipment of medicines from an EU donor country and would use it to treat the Zionist criminal prisoners in Gaza - in exchange, the Zionist criminal war cabinet would permit a number of aid trucks to enter Gaza.

The Palestinian mujahideen accepted the deal however persisted on doing thorough check of the medications and boxes which the Zionist criminal war cabinet object vehemently.

Deal was finally agreed - the medications were received by the Red Cross of Gaza and the Palestinian Mujahideen - however, the Palestinian mujahideen ordered the Gaza Red Cross to store these containers of medications at the basement storage of Nasser Medical Center.

Suddenly, the Zionist criminals war cabinet centered its focus invading Nasser Medical Center. Which took about 10 days to 2 weeks to finally invade.

The Zionist criminal forces which invaded the Nasser Hospital had tracking equipment with them and searching for signals - following the signals they ended up at the basement storage where they found the boxes of medications kept there .. these medications had tracking devices attached to them - believing that the Palestinian

mujahideen would take them to the Zionist criminal prisoners which would the Zionist criminal forces to the locations of their prisoners.

The astonishing part of all of this according to the Zionist criminal media are:

- Egypt and Qatar had full knowledge of the tracking devices placed inside these medical boxes and extorted extreme levels of pressure on the Palestinian mujahideen to accept it.
- □Egypt and Qatar, Jordan, Saudi and UAE gave the Palestinian mujahideen guarantees and assurances that these are only medications and if opened for checking then they would become unsuitable for human consumption.
- □The Palestinian mujahideen outsmarted all of the intelligence of all the countries involved in this betrayal - Mossad, Egypt, Qatar, the donor country intelligence and the CIA and M6 of the UK.

(End of report)

Palestine is engulfed by treacherous kuffaar states – Egypt, Jordan, Saudi Arabia, Qatar, the Gulf American surrogates, Iran, etc., and also in the vicinity are the toothless dogs , namely, Turkey, Pakistan and some others.

Whilst the sympathy and duas of all true Muslims are with and for the Muslims of Palestine, everyone fails to understand that the genocide taking place is the **Athaab** of Allah Ta'ala. This Punishment will run its prescribed course. As long as the Palestinians look askance at the kuffaar and its agencies such as the United Nations, etc., they will be denied the *Nusrat* of Allah Ta'ala. Divine Aid – Allah's Aid – is reliant on *Inaabat*.

Inaabat means to repent for sins, to renew the Pledge of obedience and to submit fully to the Shariah. Only then will Allah Ta'ala turn the tables and grant Muslims Victory.

It is imperative for Muslims to understand that victory and success are achieved on the Battlefields of Jihaad not in bootlicking negotiations with the enemy via the disgraceful conduit of Munaafiqeen such as Qatar and Egypt who are complicit with Israel and who peddle the tune of America.

“And, there is no aid except from Allah, The Mighty, The Wise.” (Qur’aan)

“If Allah abandons you, who is there besides Him to help you?” (Qur’aan)

“Verily, the earth belongs to Allah. He bestows its sovereignty to whomever of His servants He wills.” (Qur’aan)

Understand well that these ‘servants’ are also the kuffaar whom Allah Azza Wa Jal harnesses to punish treacherous Muslims.
