THE SHAITAANI ANSAAR FOUNDATION'S SATANIC 'HAJJ SEMINAR'

Question

Please comment on a "Hajj seminar" or "Hajj conference" taking place at a hall in Durban. Various speakers, including bid'atis, modernists, deviates and even Apas are on the same panel. Women are also invited. Can one attend such an event to learn about Hajj, even though bida'tees and deviates are there? Your guidance in the matter will be appreciated. The following is the advert of the Hajj Seminar organisers:

ANSWER

At the very outset it should be clarified that this so-called ‘Hajj seminar’ is in reality a shaitaani merrymaking function designed for the free *nafsaani* expression motivated by a variety of base and *nafsaani* motives of the deviate entities compromising the conglomerate of miscreants who deem it appropriate to pillage and plunder the Deen under the very name of Deen. Among the Signs of Qiyaamah are human devils and even real shayaateen posing as Deeni personnel, reciting the Qur’aan for the public and ensnaring ignorant Muslims into the den of Iblees. This motley of muftis, molvis and qaaris, together with apas and other deviates are specimens of such *shayaateenul ins*. They are enemies of the Deen. About these shayaateen, the Qur’aan Majeed states:

“Thus have We appointed for every Nabi jinn and humans devils as enemies. They whisper to one another adorned statements of deception.”
(Al-An’aam, Aayat 112)

As for these shaitaani qaaris who plunder the Qur’aan Majeed for public consumption, Rasulullah (Sallallahu alayhi wasallam) said:

“Most of the munaafiqeen of my ummah are its qaaris.”

What is a 'hajj seminar'? Is Hajj a new development of this age? Are the masaa-il of Hajj hidden and unknown? Do prospective hujjaaj have no access to masaa-il – to learn the requisites of Hajj in the manner the Ummah has learnt throughout the long corridor of more than 14 centuries of Islam's history. What is the need for a motley of characters, including females, to participate in a public merrymaking function to superficially hear some rules of Hajj which in all likelihood will be in by one ear and out by the other ear?

Never was any branch of Islamic *Ilm* ever imparted in this stupid, shaitaani merrymaking manner. The tareeqah of acquiring *Ilm* of any aspect of the Deen is by way of the age-old method that has come down to us from our pious predecessors. The Qur'aan, the Sunnah and its methodologies of acquisition are not artefacts of museums. These are noble and *noorani* methods of the Sunnah to be practiced until the Day of Qiyaamah without being adulterated with western *khurafaat*. This new-fangled method, the deceptive 'hajj seminary' is a bunkum, wasteful merrymaking function where the *nafs* will bask in its corrupt desires and motives.

Refreshments and lunch are '*Dalaail Qat'i*' (*Absolute Proof*) for the *butlaan* (falsehood and invalidity) of this *nafsaani* function. The presence of Apas and the presence of females at the merrymaking program further reinforces the Satanism of this function.

The Muftis and Maulanas gracing this evil function only serve to aggravate the Satanism of this function which is alien to Islam. It is a shaitaani merrymaking function in emulation of western programmes. The whole gamut of miscreants is actively aiding in the demolition of Islam with their haraam western methodology peddled in the name of the Deen under the blatantly false and deceptive 'hajj' caption.

Those who are genuinely interested to gain some knowledge of the masaa-il of Hajj, are duty-bound by the Shariah to acquire Hajj booklets which are available plentiful. Then within the precincts of their homes, they will be able to make an intelligent study to gain proper and valid knowledge of the rules of Hajj.

The morons of this shaitaani seminar even have a stupid, western-type 'vote of thanks' ceremony. On which basis of the Qur'aan and Sunnah do these juhala vindicate their stupidity and futility?

Another moron group is in charge of some stupid 'welcoming' etiquette. Did Rasulullah (Sallallahu alayhi wasallam) or the Sahaabah, Taabieen and Tabe

Taabieen, or the noble Aimmah and Fuqaha ever have such stupid welcoming ceremonies to precede their Ilmi dissertations? All of these stupid paraphernalia are acquired from the west by Muslim bootlickers suffering from the mental disease of intellectual derangement called mental inferiority which is the effect of shaitaani manipulation termed by the Qur'aan Majeed: *Takhabbutush Shaitaan (Shaitaani insanity)* which rocks the brains into disequilibrium. Thus do these miscreants present baatil as haqq and Haqq as baatil.

While the Ummah is universally ablaze, especially in Gazza, these deviates enjoy themselves in some merrymaking stupidity dubbed 'Hajj seminar'. Whilst the conduct of these molvis, muftis and qaaris is lamentable, it is not surprising. Rasulullah (Sallallahu alayhi wasallam) had forewarned us:

"Ilm will be acquired for purposes other than the Deen, and the dunya will be pursued with the amal of the Aakhirat."

The molvis and muftis are mismanipulating their knowledge for nafsani motives. Hajj is an *amal* of the Aakhirah, but it is presented as a license to justify a merrymaking function organized to gratify the nafs. There is absolutely not a vestige of Deeni benefit – absolutely no benefit – in this merrymaking function deceptively passed off as a 'hajj seminar'. It is a shaitaani seminar.
