THE TABLIGHI FACTIONS FRACAS CANNOT BE SOLVED

Respected Mufti Sahib

This Message is doing its round/s on WhatsApp, Kindly advise

Assalamualaikumwarahmatullahiwabarakatuhu

South Africa Tableegh Unity

In recent months and days much has been spoken about from the mimbars of masajids, from bayaans, from majaalis of mashaikh etc.

Appeal from the Awwaam

Having listened to all the discourses, opinions, allegations, accusations, name callings, takfeer, etc, and having listened to instructions to distance and disassociate with those who were once considered 'brothers' within this noble effort of Dawat/Tableegh....

We appeal to the 'senior ulema' to find some common ground regarding the matters at hand. Days prior to the upcoming World Ijtima, a lot has been spoken out in public here in South Africa, which has created and reignited animosity and flamed unwanted tension between both camps on a collective level and on an individual level and between blood families and close friendships.

Hazrath Ml Sa'ad(db) is here in the country, the correct route would be to gather a panel of 'concerned senior Ulema', more especially those 'seniors' who have been vigorously and ruthlessly advising to disassociate with 'brothers' and to 'boycott'

the Ijtima,... to set a meeting one on one with Hazrath Ml Sa'ad (db) and iron out matters and place all matters on the table with respect and dignity.

This is an opportune moment to hear direct from both 'parties (ie from the South African senior Ulema/mashaaikh&Hazrath Ml Sa'ad(db)). Let Hazrath Ml Sa'ad hear your concerns and allegations and likewise let the senior Mashaaikh hear Hazrath Ml Sa'ad as well.

If the 'senior south African ulema/mashaaikh' do not take this opportunity then we appeal to you not to continue with name calling, allegations, accusations, takfeer, etc after the conclusion of the Ijtima... Again... Do not do this after the Ijtima.

In simple lay man's terms we are saying.... The man is here, sort it out and iron it out. (*End of the suggestion of the Awaam kal anaam*)

OUR COMMENT

Understand well that the suggestion of the *awaam* is the effect of *jahaalat* (ignorance). *Awaam kal-anaam* – the awaam are like dumb animals. The reasons why this tablighi jamaat fracas will NEVER be solved are:

- 1) Molvi Sa'd is a Goonda (Thug).
- 2) The Raiwandi Molvis who are today attacking him are propelled by their base *Nafs*.
- 3) Molvi Sa'd's ijtimah is a mere show of power in this despicable power struggle between the Raiwandi and Nizaamuddin factions.

Brother, the current controversy is based on *nafsaaniyat* and *shaitaaniyat* of both groups. All of them are promoting their *nafsaani* agendas. All of these miscreant, deviated tablighi characters of both antagonistic factions come fully within the purview of the Hadith in which are mentioned Signs of Qiyaamah:

“The dunya will be pursued with the amal of the Deen.”

All of these miserable Tablighi molvis of both factions are presenting their *nafsaaniyat* in the guise of Tableegh. Thus nothing will ever be sorted out. There is no *Ikhlāas* and no *Lillaahiyyat* in these wayward tableeghi molvis.

The *nafsaaniyat* will only become exacerbated and indurate. Both factions will only dig into their trenches of *jahaalat* and *nafsaaniyat*. They will go to their graves with mutual enmity and malic and rise on the Day of Qiyaamah to be hauled in the Divine Court. That is only where this miserable issue of the two factions will be resolved. Non-Tablighis should stay far, very far from this Madding Crowd.
