TARIQ JAMEEL, THE AGENT OF SHAITAAN & THE AGENT OF THE YAHOOD & NASAARA

Regarding this Clown, Tariq Jameel, the Agent of Shaitaan and the Agent of the Yahood and Nasaara, a Brother says:

“Why does Maulana Tariq Jameel never condemn Israel?

This may sound a bit weird to even say but why does Maulana Tariq Jameel (and some other clerics - but he is most high profile and known) never condemn Israel for their atrocities and persecution of Palestinians.

I personally first noticed this in 2014 Gaza air strikes which killed thousands but didn't think much further. I remember actually going to a bayan by him in peak of conflict and he didn't mention it once in his 1 hour bayan.

But it was really in 2021 conflict where I noticed this was not a coincidence. He again didn't condemn or blame Israel. Mind you at that time he was more than happy to blame Pakistani women's clothing for the coronavirus pandemic.

Maulana Tariq Jameel loves being on social media and is known to love being in spotlight and speaks on anything and everything. He even made a YouTube channel which has thousands of subscribers. Recently he has been going to podcasts and such. But not once has he ever condemned Israel.

This week nothing has come out of his YouTube channel. His social media has been dormant all week whereas normally his posting rate is as prolific as a teenage girl going to a Taylor swift concert.

I don't want to be a conspiracy theorist but it does beg the question as to why a man is silent on Israel-Palestine issue despite being someone who loves the mic

and gives an opinion on almost any and everything regardless of whether he actually has any idea of what's going on.

I scoured the internet and YouTube for any past statements on Israel I may have missed but nothing came up. In one of his bayaans he references the Bani Israel tribe. That's the extent of it". (*End of the Brother's comment.*)

The silence of this vile agent of Shaitaan on the Palestinian genocide being executed by Israel and the U.S.A. is not at all surprising. There is no conundrum underlying his silence. This deviate in addition to being an agent of Iblees, is also the Agent of the Yahood and Nasaara. They are his handlers.

Being a promoter of kufr interfaith, he is in a quandary regarding the Palestinian conflagration. If he criticizes the Yahood and Nasaara murderers of the Palestinian Muslims, he will be offending his kuffaar handlers, and the consequences could be dire for him. On the other hand, should he promote his policy of interfaith 'tolerance' regarding the Palestinian Muslims who are being massacred daily, and which has become a norm, and no longer newsworthy, he will invoke the wrath of the Ummah, and even his moron fans will abandon him. Thus, his silence is a dilemma for himself. This should answer the Brother's query:

"This week nothing has come out of his YouTube channel. His social media has been dormant all week whereas normally his posting rate is as prolific as a teenage girl going to a Taylor Swift concert."

The likes of Tariq Jameel have been adequately described in the Hadith. His tongue is "*sweeter than sugar while he has the heart of a wolf.*" Another Hadith describing Tariq Jameel's kind of Iblees, states: "*a devil in human form*". The NNB (No Name Brand jamiat of Fordsburg), the bogus Jusa, has invited this Agent of Shaitaan and Agent of the Yahood and Nasaara to South Africa. Reverend Abraham Bham of the NNB jamiat and Tariq Jameel are birds of the same evil feather. They are munaafiqs masquerading as Muslims.

The talks of this agent of the kuffaar are shaitaani adornment described in the Qur'aan as '*zukuruful qawl (satanically embellished talk)*'. Ignorant Muslims can fall into his snare of kufr by listening to his satanic talks coated with sugar. His talks are poison for the Imaan of the ignorant and unwary. It is not permissible to attend his talks.

As we approach Qiyaamah, the world will abound with vile molvis and sheikhs who will be peddling and promoting satanism, fisq, fujoor and kufr. The predictions of Rasulullah (Sallallahu alayhi wasallam) have to incumbently materialize. One such manifestation is this agent of Dajjaal, Tariq Jameel.
